"Terry Pratchett is one of the most popular authors writing today. He lives behind a keyboard in Wiltshire and says he 'doesn't want to get a life, because it feels as though he's trying to lead three already'. He was appointed OBE in 1998. He is the author of the phenomenally successful Discworld series and his trilogy for young readers, *The Bromeliad*, is scheduled to be adapted into a spectacular animated movie. His first Discworld novel for children, *THE AMAZING MAURICE AND HIS EDUCATED RODENTS*, was awarded the 2001 Carnegie Medal. "

Terry Pratchett's profoundly irreverent, bestselling novels have garnered him a revered position in the halls of parody next to the likes of Mark Twain, Kurt Vonnegut, Douglas Adams, and Carl Hiaasen. In *Equal Rites*, a dying wizard tries to pass on his powers to an eighth son of an eighth son, who is just at that moment being born. The fact that the son is actually a daughter is discovered just a little too late.

'Persistently amusing, good-hearted and shrewd' *The Sunday Times* *The Discworld* is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . They say that a little knowledge is a dangerous thing, but it's not half so bad as a lot of ignorance. The last thing the wizard Drum Billet did, before Death laid a bony hand on his shoulder, was to pass on his staff of power to the eighth son of an eighth son. Unfortunately for his colleagues in the chauvinistic (not to say misogynistic) world of magic, he failed to check that the baby in question was a son. Everybody knows that there's no such thing as a female wizard. But now it's gone and happened, there's nothing much anyone can do about it. Let the battle of the sexes begin . . . _____ *The Discworld novels* can be read in any order but *Equal Rites* is the first book in the *Witches* series.

Every world has its rules—even a flat oneocarried by four elephants riding on a giant turtle. That's why a dying wizard is searching for an eighth son of an eighth son to bestow his wizardly powers upon before meeting Deathin six minutes. Unfortunately it is quicklydiscoveredthough not quite quickly enough—that the newborn babe the wizard anoints just before bidding the Discworld adieu is, in reality,a girl! What's done cannot be undone—despiteold Granny Weatherwax's attempts to bringthe child into the witchy fold—and little Eskis now a wizard, through and through. And she's destined to bring chaos and confusion to the all-male faculty of Ankh-Morpork'sUnseen University . . . who are alreadyfairly addled to begin with.

A collection of three of the author's Discworld novels - *Equal Rites*, *Wyrd Sisters* and *Witches Abroad* - that feature the characters Granny Weatherwax, Nanny Ogg and Magrat Garlick.

Raised to be fierce dragon slayers, two sisters end up on opposite sides of the impending war when one sister forms an unlikely, magical bond with a dragon in this standalone YA contemporary fantasy that's perfect for fans of *Slayer* and *Sorcery of Thorns*. Dani and Eden Rivera were both born to kill dragons, but the sisters couldn't be more different. For Dani, dragon slaying takes a back seat to normal high school life, while Eden prioritizes training above everything else. Yet they both agree on one thing: it's kill or be killed where dragons are concerned. Until Dani comes face-to-face with one and forges a rare and magical bond with him. As she gets to know Nox, she realizes that everything she thought she knew about dragons is wrong. With Dani lost to the dragons, Eden turns to mysterious and alluring sorcerers to help save her sister. Now on opposite sides of the conflict, each sister will do whatever it takes to save the other. But the two are playing with magic that is more dangerous than they know, and there is another, more powerful enemy waiting for them both in the shadows.

Things like crowns had a troublesome effect on clever folks; it was best to leave all the reigning to the kind of people whose eyebrows met in the middle. Three witches gathered on a lonely heath. A king cruelly murdered, his throne usurped by his ambitious cousin. A child heir and the crown of the kingdom, both missing... Witches don't have these kind of dynastic problems themselves - in fact, they don't have leaders. Granny Weatherwax was the most highly-regarded of the leaders they didn't have. But even she found that meddling in royal politics was a lot more complicated than certain playwrights would have you believe, particularly when the blood on your hands just won't wash off and you're facing a future with knives in it...

Return to the world of Rivers of London in this first short story collection from bestselling author, Ben Aaronovitch. Tales from the Folly is a carefully curated collection that gathers together previously published stories and brand new tales in the same place for the first time. Each tale features a new introduction from the author, filled with insight and anecdote offering the reader a deeper into this absorbing fictional world. This is a must read for any Rivers of London fan. Join Peter, Nightingale, Abigail, Agent Reynolds and Tobias Winter for a series of perfectly portioned tales. Discover what's haunting a lonely motorway service station, and what exactly happened to the River Lugg... With an introduction from internationally bestselling author of the *Sookie Stackhouse* series, Charlene Harris. This collection includes: *The Home Crowd Advantage* *The Domestic The Cockpit* *The Loneliness of the Long-Distance Granny King of The Rats* *A Rare Book of Cunning Device* *A Dedicated Follower of Fashion Favourite* *Uncle Vanessa Sommer's Other Christmas List* *Three Rivers, Two Husbands* and a *Baby Moments* *One-Three Praise for the Rivers of London* series: "Ben Aaronovitch has created a wonderful world full of mystery, magic and fantastic characters. I love being there more than the real London." "Nick Frost "A superlative blend of whimsy and grit....Jim Butcher meets Douglas Adams" -Publishers Weekly "...my favorite current series... delightful, compulsive and fresh-with a love of multicultural London evident on every page, wonderfully diverse characters, magic, mystery, and mayhem. Once you start, you will literally not be able to put them down." -Lavis Tidhar in *Washington Post* "...recounted with deadpan British wit and irony...packed with fascinating historical detail... Lively and amusing and different." -Kirkus

All this books and stuff, that isn't what it should all be about. What we need is real wizardry. There was an eighth son of an eighth son. He was, quite naturally, a wizard. And there it should have ended. However (for reasons we'd better not go into), he had seven sons. And then he had an eighth son... a wizard squared...a source of magic...a Sourcerer. Unseen University has finally got what it wished for: the most powerful wizard on the disc. Which, unfortunately, could mean that the death of all wizardry is at hand. And that the world is going to end, depending on whom you listen to. Unless of course one inept wizard can take the University's most precious artefact, the very embodiment of magic itself, and deliver it halfway across the disc to safety...

'No one mixes the fantastical and mundane to better comic effect or offers sharper insights into the absurdities of modern endeavour' *Daily Mail* *The Discworld* is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . Fairy godmothers develop a very deep understanding about human nature, which makes the good ones kind and the bad ones powerful. Inheriting a fairy godmother role seemed an easy job . . . After all, how difficult could it be to make sure that a servant girl doesn't marry a prince? Quite hard, actually, even for the witches Granny Weatherwax, Nanny Ogg and Magrat Garlick. That's the problem with real life - it tends to get in the way of a good story, and a good story is hard to resist. Servant girls have to marry the prince, whether they want to or not. You can't fight a Happy Ending, especially when it comes with glass slippers and a rival Fairy Godmother who has made Destiny an offer it can't refuse. _____ *The Discworld novels* can be read in any order but *Witches Abroad* is the third book in the *Witches* series.
