Units, which are divided into Lessons. In the upper-left corner of the Home Link, you should see an icon like this: The Unit number is the first number you see in the icon, and the Lesson number is the second number. In this case, the student is working in Unit 5, Lesson 4. To access the help resources, you would select "Unit 5" from the list above, and then look for the row in the table labeled "Lesson 5-4."

The Everyday Mathematics book was okay. By me going to the 5th grade for the 1st time in 7 years I thought it was going to really give me a big boost with resources. I looked at the book initially and haven't looked at it since that should tell you how I feel about it. It didn't wow me like other materials that I have purchased.
