Ex Libris is an extended love letter to language and to the wonders it performs. Fadiman is a woman who loves words; in "The Joy of Sesquipedalians" (very long words), she describes an entire family besotted with them: "When I was growing up, not only did my family walk around spouting sesquipedalians, but we viewed all forms of intellectual competition as a sacrament, a kind of holy water as it were, to be slathered on at every opportunity."
