"The Quit Smoking Answer" is structured in such a way that all readers follow a process of "cold turkey" cessation through a step-by-step system to become nicotine free. The system shared is quick, easy, and proven, regardless of a person's dependency on nicotine. If you have ever thought, "wouldn't it be nice to quit smoking" than you've set the mood and you're ready to begin. It's easier to quit nicotine than you think! JW Smith, a smoker for 40 years, wrote this book after ending his vicious cycle of numerous failed attempts to quit. His system for nicotine cessation evolved over a subsequent six-week period of preparation to quit. He shares his story about a conversation with his nine year-old granddaughter that finally set the wheels in motion to find a better way - one that works. JW researched smoking cessation methods and used his own experience to forge a new path. This book may very well be destined to be in a category by itself in the nicotine cessation world of recommendations and advice. Why? Because it works! JW makes the case that smoking cessation is not an event, but rather a process. His book will teach you the key cognitive techniques he used to end both the physical and psychological addictions to nicotine. It debunks myths about nicotine replacement therapy products and instead lays out a natural progression of steps for becoming a nonsmoker. The premise of the book is based on this famous quote; "When you change the way you look at things, the things you look at change." In the beginning of the

book it is recommended to establish an environment and path of least resistance. Less resistance to quit is the first key step to becoming nicotine free. It is recommended that readers continue the use tobacco products including e-cigarettes while reading the book over a two or three day period of time- helping again to establish less resistance to quit. He additionally recommends as a first step that you tell no one of your desire to quit - preventing anyone including yourself of sabotaging your intention. As you apply the techniques and methods written about it becomes a natural procession leading up to your very last cigarette or use of chewing tobacco. A transformation of your thinking takes place and ending your addiction will seem like an "almost non-event" - as something just happens to you as you read this book. You will be physically and mentally prepared to end your addiction after reading this one of a kind book. Free from nicotine for life - and all the great rewards that come with it!

This is Book 1 in the Jerry Giraffe Series. What would you do if you had a giraffe? Would you give it bath or make it laugh? Would you give it a ball and set it on a wall? Join Silly Milly as she weaves her rhyme and shows how a giraffe can have a good time.

Stephen is well known for his consistent reputation of creating professional, and distinctive products while working within an art style that is unlike any other. At a young age, Stephen enjoyed reading Bill Watterson's 'Calvin and Hobbes' and tracing illustrations out of Shel Silverstein's poem books like 'Light in the Attic' and 'The Giving Tree'. Today whenever he has the spare time, he enjoys watching cartoons and movies, playing lacrosse, gold panning and cooking. Stephen aims to bring happy, sadness joy and laughter to all his viewers, young and old. *For more information on Stephen Palmer visit his IMDB or view Stephen's Demo Reel: IMDB: <http://www.imdb.com/name/nm5057685/> Vimeo: <https://vimeo.com/54503716> Author's Note It all started with an idea, which led to an animation. The idea came from my childhood - I used to dress up as my favorite action-figure and run around the neighborhood pretending I was that toy. I wanted to run with this idea of imagination - a boy with his imagination. However, I had another passion - education. I truly wanted to show young souls how much fun it could be to learn about topics such as History with just a touch of imagination. So I created Billy - a young boy eager to travel not just to different places, but to different time periods. Kids will enjoy flipping each page, seeing the beautiful colors, characters and events that formulated our world. Billy uses his trusty Time Machine to take kids to these places, teaching them everything they need to know. Best part is, the books are interactive, as I have added fun games and trivia in the back of every book, just like I remember ruining the lovely books my mother bought for me, scribbling in them as a young child. With Infinite Travels, you don't need to worry about that. The kids can color and fun as well

as learn in the process. To see the animation I've created before Infinite Travels was even an idea yet, please visit this link: <https://vimeo.com/22664441>
The overall idea was to have fun with this particular project of SP Productions. We want to make sure every product of ours moves our consumers. Stay tuned for more Infinite Travels issues in the future! ***BUY YOUR COPY AND HELP CHILDREN TODAY!***
