This collection features books #1-3 in the bestselling Lochguard Highland Dragons series. Below are the stories included: THE DRAGON'S DILEMMA In order to pay for her father's life-saving cancer treatment, Holly Anderson offers herself up as a sacrifice and sells the vial of dragon's blood. In return, she will try to bear a Scottish dragon-shifter a child. While the dragonman assigned to her is kind, Holly can't stop looking at his twin brother. It's going to take everything she has to sleep with her assigned dragonman. If she breaks the sacrifice contract and follows her heart, she'll go to jail and not be able to take care of her father. Even though he's not ready to settle down, Fraser MacKenzie supports his twin brother's choice to take a female sacrifice to help repopulate the clan. Yet as Fraser gets to know the lass, his dragon starts demanding something he can't have—his brother's sacrifice. Holly and Fraser fight the pull between them, but one nearly stolen kiss will change everything. Will they risk breaking the law and betraying Fraser's twin? Or, will they find a way out of the sacrifice contract and live their own happily ever after? THE DRAGON GUARDIAN Gina MacDonald may be pregnant and on the run, but she will do anything to protect her unborn child—even go up against a dragon-shifter. While hiding in the wilds of the Scottish Highlands, she soon notices the black dragon perched on the nearby hills. She debates if he is related to her past or not, but then a pain overcomes her and the dragon finally swoops down to help. Despite her determination to stay clear of all dragon-shifter males, his touch not only helps ease her tension, it sets her skin on fire. Fergus MacKenzie protects his clan by collecting information and warning them of threats. When a redheaded American shows up out of the blue along a nearby lake, he watches her to find out more. However, when he sees her bend over in pain, he flies down to help her. Afterward, he should walk away. But he can't stop thinking about her green eyes and addictive touch. Both man and beast want her more than anything in their lives. As Fergus learns more of Gina's past, he knows she will bring danger to his clan. Torn between protecting his family and following his heart, will Gina and Fergus be able to find a happy ending? Or, will danger force Fergus to choose between love and clan? THE DRAGON'S HEART Lorna MacKenzie lost her mate nearly thirty years ago. Dedicating her life to her children, she brushed off the thought of ever finding love again. After all, Jamie MacKenzie had been her true mate. Who could ever replace him? Ross Anderson came to Lochguard to be near his daughter and fight his cancer. Over the last six months, he's become close to one particular dragonwoman. However, he doesn't want to pursue her as a dying man. But now that his cancer is gone, Ross is determined to win Lorna's heart. As the pair fight their growing attraction to one another, the only question is will Lorna open up to Ross or forever hold on to the memory of her first love? NOTE: This collection contains two full-length books and one novella. These stories are exactly the same ones you can purchase individually.

This brand-new omnibus is the second in a series collecting Irene Radford's acclaimed Dragon novels. Volume I includes the complete trilogy of The Dragon Nimbus: The Glass Dragon, The Perfect Princess, and The Lonliest Magician Volume II includes the first two novels in The Dragon Nimbus History quartet: The Dragon's Touchstone and The Last Battlemage Volume III includes the last two novels in The Dragon Nimbus History quartet: The Renegade Dragon and The Wizard's Treasure The Dragon's Touchstone: Three hundred years before the time of The Glass Dragon, Coronnan is a kingdom at war with itself, magic is wild, and magicians uncontrolled, each working separately for his own goal. At the height of this age of chaos, the dragons decide to intervene, making their presence known to the mortals through the healer Myrilandel. The Last Battlemage: Nimbulan, the last Battlemage and the founder of the school for Communal Magic, is seeking to create a permanent protection for the kingdom of Coronnan, a spell-crafted border to keep enemies out. His search for the key to this magic leads him to terrifying discovery—the dragons, the guardians of magics, are in terrible danger. Want more Dragon novels? Look for The Star Gods trilogy and the new Children of the Dragon Nimbus series! A letter from the author, Irene Radford: Welcome to the world where dragons are real and magic works. If you are new to the Dragon Nimbus, pull up a chair and join us as we revel in tales that have touched my heart more than anything else I've written under any pen name. If you are returning after an absence, I am very happy to have you back. This is a world that began with a Christmas gift of a blown-glass dragon. The dragon sat proudly on the knick-knack shelf for several months, loved and admired, reluctantly dusted, and totally inert. Then one night at dinner, my son remarked, "You know, Mom, I think dragons are born all dark, like that little pewter dragon, then they get more silvery as they grow up until they are as clear as glass." The dragon came to life for me. Out of that chance remark came first one book, then three, five, seven, and finally ten. I built a career on these books and loved every minute of the process. These characters still live in my mind many years after they jumped into their stories and dragged me along with them. Many thanks to DAW Books and my editor Sheila Gilbert for reviving The Dragon Nimbus a lucky thirteen years after they first debuted. With these omnibus volumes, you can read about the dragons with crystal fur that directs your eye elsewhere yet defies you to look anywhere else. Wonderful dragons full of wit and wisdom. Magic abounds. Magicians and mundanes alike learn about their world and special life lessons as they explore dragon lore past and present. The books will be presented in the order in which they were written, and the order that makes the most sense of the entwined tales. So, sit back and enjoy with me. And may reading take you soaring with Dragons.

In The Dragon's Touchstone, the kingdom of Coronnan descends into chaos, pitting the dragons against the dark forces of blood magic, and in The Last Battlemage, Nimbulan risks the safety of the citizens of Coronnan to find his long-lost wife, an exiled sorceress who remains the last link between dragons and mortals.
