This 8th edition of School Library Management offers a fully updated collection of articles designed to guide both new and practicing school librarians. It

gathers information about the issues and trends in the field, programming ideas, and advice from school library leaders. Contemporary articles from the past five years of School Library Connection bring this edition up to the present. Carefully curated chapters address today's best practices to improve school library programs, integrating technology considerations throughout each of the sections. Authors cover timely topics such as equity, diversity, and inclusion; budgets; copyright; librarian professional development; evaluation; and advocacy. Each chapter begins with an introduction to put issues into context and ends with activities that will help librarians further explore. All readers will appreciate this volume as "one-stop shopping" for readings that address best practices in light of major new guiding documents and standards in the school library field.

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.
