"Parts One and Two published separately ... in 1992 and 1998."--Title page verso.

The legend of Faust grew up in the sixteenth century, a time of transition between medieval and modern culture in Germany. Johann Wolfgang von Goethe (1749-1832) adopted the story of the wandering conjuror who accepts Mephistopheles's offer of a pact, selling his soul for the devil's greater knowledge; over a period of 60 years he produced one of the greatest dramatic and poetic masterpieces of European literature. David Luke's recent translation, specially commissioned for The World's Classics series, has all the virtues of previous classic translations of Faust, and none of their shortcomings. Cast in rhymed verse, following the original, it preserves the essence of Goethe's meaning without sacrifice to archaism or over-modern idiom. It is as near an 'equivalent' rendering of the German as has been achieved. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify

Read Book Faust Part One

the text, up-to-date bibliographies for further study, and much more.

Enduring legend of the old philosopher who sells his soul to the devil in exchange for knowledge and power, profoundly retold in poetic form by one of the giants of literature.

Single-volume edition of the complete work in the Bayard Taylor translation. Part One covers Faust's pact with Mephistopheles and seduction of an innocent girl; Part Two relates his courtship of Helen of Troy and his salvation.

This book is intended for m.

Presents Goethe's masterpiece about a troubled man who sells his soul to the devil

The best translation of Faust available, this volume provides the original German text and its English counterpart on facing pages. Walter Kaufmann's translation conveys the poetic beauty and rhythm as well as the complex depth of Goethe's language. Includes Part One and selections from Part Two.

Offers a survey of early Faust stories and a detailed reading of Faust Part One.
