Discusses effective ways to improve your reading skills and to perform well on the Florida Comprehensive Assessment Test (FCAT).

The demand for higher education worldwide is booming. Governments want well-educated citizens and knowledge workers but are scrambling for funds. The capacity of the public sector to provide increased and equitable access to higher education is seriously challenged.

Many school system stakeholders know that education legal matters are often dominated by employees, students, and special education. Mr. Griffin has spent vast amounts of time addressing each of these areas; working directly with administrators on a daily basis has afforded Mr. Griffin the opportunity to master all ranges of the spectrum. Most importantly, Mr. Griffin has dedicated his career to giving educators the highest quality legal and practical advice to help them navigate the complex modern framework of laws that govern what they do on a day-to-day basis. Whether the legal issue involves a student, parent, teacher, staff, administrator, or a combination of all of them, Mr. Griffin has almost certainly addressed it. In fact, that is why he wrote this book. He knows, first hand, that it is desperately needed.
