Just follow the FE mechanical CBT (download it from your NECCS account), it says what you need to study/know. Just know the basics and how to search the key words in the exam. The only free PDF book you can get is "FE Review Manual - Lindeburg 2010", google it. I took the FE exam a week ago. Still waiting for the results.

Is FE Mechanical Review Manual by Lindeburg sufficient ...

I used this book in conjunction with the FE review manual, the NCEES reference handbook, and the NCEES sample exam. All were helpful in their own way. I would not purchase this manual without the FE review manual, unless you can get the background material from other textbooks. I had been away from school for 19 years and needed every bit of help.
