worship in the Middle East 2000 years before Christ, and milk and milk products are mentioned more than 50 times in the Bible. Milk and dairy products have become a major part of the human diet in many countries. It is not surprising therefore, that over many years considerable attention has been paid to improving the quality of milk. We have worked to improve the yield, the compositional quality and the hygienic quality, and have striven to minimise the level of contaminants which can find access to this, perhaps our most natural, unrefined and highly nutritious foodstuff. The chain of people involved in the milk industry extends from milk production-farmers, veterinarians and farm advisors-through transport to processing-quality controllers, manufacturers-and on to retailers, legislators, nutritionists, dairy educators and consumers. All will be interested in the quality parameters of milk which are regularly measured for commercial reasons, for trade, for legal requirements and for reasons of nutrition.

The most thorough listing of Jack Kirby's work ever published! Building on the 1998 Silver Edition, this new, fully-updated, definitive Gold Edition compiles an additional decade's worth of corrections and additions by top historians, in a new trade paperback format with premium paper for archival durability. It lists in exacting detail every published comic featuring Kirby's work, including dates, story titles, page counts, and inkers. It even cross-references reprints, to help collectors locate less-expensive versions of key Kirby issues, and includes an extensive bibliography listing books, periodicals, portfolios, fanzines, posters, and other obscure pieces with Kirby's art, plus a detailed list of Jack's unpublished work as well. This edition includes a complete listing of the over 5,000-page archive of Kirby's personal pencil art photocopies, and scattered throughout are dozens of examples of rare and unseen Kirby art, making this a must-have item for serious Kirby collectors and eBay shoppers!
