The more you know about the historical period depicted in The Help and understand the courageous struggle for civil rights, the less likely you are to forgive The Help as light entertainment. During the 1960s, the era covered in The Help, legal segregation and economic inequalities limited black women's employment opportunities. Up to 90 percent of working black women in the South labored as domestic servants in white homes.

In Skeeter's social circle, the family servants, called "the help", are exclusively black. The female servants do the cooking and cleaning, but their primary responsibility is child-rearing. The servants get passed down within families from generation to generation, so the child that they raised ultimately becomes the boss.
