Who was Jeffrey Epstein? A Pulitzer Prize-nominated journalist unearths never-before-reported details in the most comprehensive account yet of the disgraced financier's life, death, and criminal web, including the role of Ghislaine Maxwell. An ID Book Club Selection By now, the basic contours of Jeffrey Epstein's horrendous crimes--his decades-long serial abuse of young women and underage girls--are familiar. But for all that has been written about Epstein since his shocking death in a lower Manhattan jail cell, an astonishing amount remains unknown. A shy Brooklyn kid turned renegade financier, Jeffrey Epstein never wanted to play by the rules of polite society. He was elusive in life and he has remained just as elusive in death. What is known is that he had amassed nearly \$600 million by the time of his death. That fortune allowed Epstein to pursue a privileged, secretive life, jetting between his fortress-like homes in Manhattan, New Mexico, and Little St. James, his private island. Behind these closed doors, Epstein socialized with scientists and world leaders and preyed on powerless young women. In *The Spider*,

friend and financier to the rich and powerful, was found unresponsive in his prison cell in lower Manhattan, where he awaited his second trial for sexual predation and other crimes. He was rushed to a local hospital and one hour later pronounced dead by suicide. Across the world, a sinister web of powerful billionaires, celebrities, and politicians, including Bill and Hillary Clinton, had reason to sigh with relief at news of Epstein's death. Having flown on his private planes and visited his many homes—the sites of so many illicit activities—they had much to lose if their transgressions were ever exposed. And now, Epstein was silenced for good. But cracks in the official story soon emerged. And the questions kept coming: · Why did the surveillance cameras in front of Epstein's cell stop working that night? · Why was Epstein's cellmate transferred out and never replaced? · Why was a high-profile prisoner so suddenly taken off suicide watch and left unguarded for eight hours? Was Epstein murdered to protect the powerful people who feared what he might reveal? The American public deserves to know the truth. With this book, they can finally understand the facts and decide for themselves.

“A thrilling page-turner about the pursuit of justice” (New York Post), this is the definitive story of the case against Jeffrey Epstein, Ghislaine Maxwell, and the corrupt system that supported them, told in thrilling detail by the lawyer who has represented their victims for more than a decade. In June 2008, Florida-based victims' rights attorney Bradley J. Edwards was thirty-two years old and had just started his own law firm when a young woman named Courtney Wild came to see him. She told a shocking story of having been sexually coerced at the age of fourteen by a wealthy man in Palm Beach named Jeffrey Epstein. Edwards, who had never heard of Epstein, had no idea that this moment would change the course of his life. Over the next ten years, Edwards devoted himself to bringing Epstein to justice, and came close to losing everything in the process. Edwards tracked down and represented more than twenty of Epstein's victims, shined a light on his shadowy network of accomplices, including Ghislaine Maxwell, and uncovered the scope of his sexually exploitative organization,

which reached into the highest levels of American society. In this “revelatory exploration of the long fight to bring a monstrous man to justice” (Kirkus Reviews, starred review), Edwards gives his riveting, blow-by-blow account of battling Epstein on behalf of his clients, and provides stunning details never shared before. Epstein and his cadre of high-priced lawyers were able to manipulate the FBI and the Justice Department, but despite making threats and attempting schemes straight out of a spy movie, Epstein couldn’t stop Edwards, his small team of committed lawyers, and, most of all, the victims, who were dead-set on seeing their abuser finally put behind bars.
