From the New York Times bestselling author of the Game series, a sizzling and steamy romance about second chances. Conner Burke never expected Sofie Callahan to come back. Where she ' s been for the last two and half years is a mystery, and so is the reason she left in the first place. Now, though, she ' s back in their hometown of Shelton Bay, South Carolina, at the same time Conner ' s band Dirty B. is home on a tour break. Sofie Callahan has spent the months since her father ' s death avoiding anything to do with her hometown. But with her brother in Afghanistan, she has no choice but to return and sort out her father ' s house, even if it means facing the boy she fell in love with and revealing the reason she left. Conner has questions, and when his broken heart and her guilty one collide, Sofie has to start answering them. Their present is rocky, their future unknown. Only one thing is certain: Sofie ' s daughter will change everything.

What do you get when you mix a bachelorette party, the queen of dating disasters, and a stripper so hot he was forged from the fires of hell? Screwed. You get screwed.... Cocky. Commanding. Powerful. Relentless. Those four words all summed up West Rykman perfectly. So did filthy, dirty, sexy, and addictive. He was supposed to be my one night stand...not my new marketing client. He was definitely not supposed to be back inside my pants, not that anybody told him that. I knew one thing: What West Rykman wanted, West Rykman got. And he wanted me. What happens in Vegas... might just make you stay. (STRIPPED BARE is a standalone, erotic novel with romcom elements. While Stripped Bare completes Mia & West's story, please be aware that the epilogue leads into the companion novel, STRIPPED DOWN, coming August 30th.)

What do a wrong number text, a burning building, and a quirky florist have in common? A hunky firefighter with an extra-large...hosepipe. In hindsight, I never should have opened that text message. The last thing I needed first thing on a Monday was a picture of some stranger ' s, um, eggplant, in my inbox. I also should have replaced the batteries in my fire alarm, because my Friday night did not need to end with my apartment building going up in flames. But it ' s fine. It ' s fine. Everything is fine. I ' m only lying in a hospital bed with more split ends than I ' ve ever had, almost all my Earthly possessions have turned to ash, and apparently, they don ' t serve wine to patients in this place. But like I said, it ' s fine. Until he walks in. The guy who saved my life. My hero. Noah Jacobs. And the universe is amusing itself at my expense, because the dirty photo I woke up to on Monday? It ' s his.

New York Times bestselling author, Emma Hart, brings together two polar-opposite single parents in the second book in the sinfully sexy Vegas Nights series. Detective Adrian Potter had a lot to answer for. I didn't care that he was tasked with shutting down the city's most prolific hookers.I cared that he was stopping me from providing for my daughter. He didn't care.Not at all.Until I broke down in the backseat of his car... And he let me go.Adrian was a single parent, too. He knew how hard I had it. At least, he thought he did.He had a job. He had people who cared. He didn't know just how lucky he was.My name is Perrie Fox.I was a whore of the highest value.Until Detective Adrian Potter.Until the tattooed, redemption-seeking detective entered my life, looking for his fairytale.The cop and the hooker.Happily ever fucking never.You've met one Fox sibling.Now meet the other...(LUST is book two of the Vegas Nights series. While it is a standalone, the time frame does overlap with scenes in the previous book, SIN. You can, however, read LUST without reading SIN.)

From New York Times and USA Today bestselling author, Emma Hart, comes the second book in The Game series, and the story everyone wanted after The Love Game... She's in love with him. He's trying not to love her. One night changes everything. Aston Banks never meant to get close to Megan Harper - not even for that one night. Haunted by a childhood he refuses to face, he knew she could break through every wall he'd ever built and tear them down without even realizing she was doing it. Betraying Braden by starting a relationship with Aston wasn't on Megan's to-do list, but the second she sees a glimpse of someone other than the arrogant ass she's come to know, she can't walk away. Aston's childhood is worse than Megan ever guessed, but as he tries and fails to push her away, it's clear her love is stronger than the demons that cling to him every day. And now, because of it, he finally has to deal with what he's buried deep down. What he doesn't want to face. What he's fought against for so long. And they have to do it all without Braden finding out. Keeping a relationship secret has never been harder.

An aristocrat and a gardener walk into a bar, and the barman says-never mind. They walked into a shed, and they're kissing. Oops. My name is Lady Gabriella Hastings, and there are three things you need to know about me. One: my idiot brother will inherit the estate I've adored my entire life. Two: my father wants me to marry an idiot who has an estate like this. Three: my aunt's goats keep escaping and terrorising the public. Oh, and I have a huge crush on the gardener. Except I have absolutely no time to sort my own love life, because I'm too busy moonlighting as an online agony aunt to fix everyone else's problems. If only I could stop having inappropriate feelings about Miles Kingsley, the grumpy, bearded gardener of Arrowwood Hall. He hates me, and I'm not quite sure why. My own horticultural dreams are about to slip through my fingers, and he's the one person who can help me. If only he wasn't such a classist bas-ahem. But when a storm leaves us stranded at the estate with no power, and one of my assignments means I need his help, and a fancy party forces truths to come to light, there might just be a chance for us after all...

Dirty cocktails, deadly enemies with a red-hot attraction, and one big, crazy, Greek family--what could possibly go wrong? Hiring my brother's best friend was not on my to-do list. Neither was he. Expanding my dirty cocktail bar into food was supposed to be easy, except finding a chef in my little town of Whiskey Key is anything but. Until Parker Hamilton comes home--bringing his Michelin starred chef's hat with him. He has no work. I need someone like him in my new kitchen. There's just one problem: I hate his cocky, filthy-mouthed, sexy-as-hell guts. Even if I might want him. Just a little... Working for my best friend's sister? Not on my to-do list. She's another story. Whiskey Key was supposed to be a relaxing vacation, except I haven't reached the heights I have by lying in a hammock drinking cocktails. So when Raven Archer is desperate for a chef, I offer up my skills. I'm bored. She needs what I can give her. Except there's a problem: I've always hated her. Her and her big, blue eyes, sassy mouth, and killer curves. If only I didn't want her.

His challenge? Make her fall in love with him.Her challenge? Play the player.Until life changes the rules of the game.Maddie Stevens hated Braden Carter on sight. Arrogant, egotistical, and the playboy of the University of California, Berkeley, he's everything her brother Pearce has taught her to despise. So why, when the girls challenge her to play the player, doesn't she say no? She doesn't know either.Braden wanted fiery little Maddie the second he laid eyes on her - and he'd do anything to have her, hence why he's agreed to make her fall in love with him. After all, it's the only way he'll get what he wants. Sex.But, as Braden discovers, there's more to the girl from Brooklyn than he ever imagined - and he can't help but care about the broken girl behind those pretty green eyes.Maddie finds Braden isn't just a walking erection - he actually has feelings. He can be sweet, funny and his good looks don't exactly hurt. That means trouble - but when her brother Pearce turns up in Berkeley begging for her help, she realises Braden and Pearce aren't so alike anymore.And maybe, just maybe, they're exactly what each other needs.

The hugely anticipated final book in the New York Times bestselling The Game series... She lost a part of her soul when he died. He lost his right hand man, his ultimate partner in crime. But it's that tragedy that might just push them together. If Kyle Daniels regrets anything, it's not being home the night his best friend died or going home for his funeral. Leaving Berkeley and heading back to Verity Point, Oregon, for the summer feels like returning to a hollow cave without Cameron there. The only thing that makes it bearable is the knowledge that Roxanne, Cam's younger sister, is still there. Roxy Hughes isn't the same girl he left behind six months ago. Destroyed by losing her older brother, her downward spiral has been uncontrollable. Alcohol and sex is her escape - complete oblivion being the only place she can forget the agony of that night. Because she's the only one that truly knows it. Kyle always promised Cam that if anything happened to him he'd protect Roxy, but one kiss takes his need to protect her to a whole new level. Now, she's more than just his best friend's sister. She's everything he wants, and he's everything she doesn't know she needs. But if he doesn't figure out a way to pull her from the deep, dark hole she's dug herself, she might just end up the same way as her brother.
