First They Killed My Father (2017) - Full Cast & Crew - IMDb

About the Film Starring Sareum Srey Moch, Phoeung Kompheak, Sveng Socheata, Netflix produced the 2017 film adaptation of First They Killed My Father, an unflinching portrayal of the Khmer Rouge's reign of terror and genocide, from the view of a five-year-old survivor cut off from her family in 1975.

Repackaged in a new tie-in edition to coincide with the Netflix film produced and directed by Angelina Jolie, a moving story of war crimes and desperate actions, the unnerving strength of a small girl and her triumphant spirit as she survived the Cambodian genocide under Pol Pot's brutal regime. Until the age of five, Loung Ung lived in Phnom Penh, one of seven children of a high-ranking government official. She was a precocious child who loved the open city markets, fried crickets, chicken fights, and sassing her parents. While her beautiful mother worried that Loung was a troublemaker—that she stomped around like a thirsty cow—her beloved father knew Loung was a clever girl. When Pol Pot's Khmer Rouge army stormed into Phnom Penh in April 1975, Ung's family fled their home and moved from village to village to hide their identity, their education, their former life of privilege. Eventually, the family dispersed in order to survive. Loung trained as a child soldier in a work camp for orphans, while other siblings were sent to labor camps. As the Vietnamese penetrated Cambodia, destroying the Khmer Rouge, Loung and her surviving siblings were slowly reunited. Bolstered by the shocking bravery of one brother, the courage and sacrifices of the rest of her family—and sustained by her sister's gentle kindness amid brutality—Loung forged on to create for herself a courageous new life. Harrowing yet hopeful, insightful and compelling, this story is truly unforgettable.

Chronicles the brutality of the Khmer Rouge in Cambodia, from the author's forced "evacuation" of Phnom Penh in 1975 to her family's subsequent movements from town to town and eventual separation.

A daughter of Cambodia remembers. Soon to be a Netflix original movie directed by Angelina Jolie. Until age five, Loung Ung lived in Phnom Penh, one of seven children of an educated, high-ranking government official. When the Khmer Rouge stormed the city in 1975, the young girl and her family fled from village to village. Fighting to hide their identity, the Ungs eventually were forced to separate to survive. Loung was trained as a child soldier in a work camp for orphans. As half her family died in labour camps by execution, starvation, and disease, Loung herself grew increasingly resilient and determined - armed with indomitable will, she miraculously managed to outlast the Khmer Rouge and survive the killing fields. FIRST THEY KILLED MY FATHER is her astonishing story, a memorable human drama of courage and survival against all odds.

One of seven children of a high-ranking government official, Loung Ung lived a privileged life in the Cambodian capital of Phnom Penh until the age of five. Then, in April 1975, Pol Pot's Khmer Rouge army stormed into the city, forcing Ung's family to flee and, eventually, to disperse. Loung was trained as a child soldier in a work camp for orphans, her siblings were sent to labor camps, and those who survived the horrors would not be reunited until the Khmer Rouge was destroyed. Harrowing yet hopeful, Loung's powerful story is an unforgettable account of a family shaken and shattered, yet miraculously sustained by courage and love in the face of unspeakable brutality.

Read PDF First They Killed My Father A Daughter Of Cambodia Remembers Loung Ung

After enduring years of hunger, deprivation, and devastating loss at the hands of the Khmer Rouge, ten-year-old Loung Ung became the "lucky child," the sibling chosen to accompany her eldest brother to America while her one surviving sister and two brothers remained behind. In this poignant and elegiac memoir, Loung recalls her assimilation into an unfamiliar new culture while struggling to overcome dogged memories of violence and the deep scars of war. In alternating chapters, she gives voice to Chou, the beloved older sister whose life in war-torn Cambodia so easily could have been hers. Highlighting the harsh realities of chance and circumstance in times of war as well as in times of peace, *Lucky Child* is ultimately a testament to the resilience of the human spirit and to the salvaging strength of family bonds.

Chanrithy Him felt compelled to tell of surviving life under the Khmer Rouge in a way "worthy of the suffering which I endured as a child." In a mesmerizing story, Chanrithy Him vividly recounts her trek through the hell of the "killing fields." She gives us a child's-eye view of a Cambodia where rudimentary labor camps for both adults and children are the norm and modern technology no longer exists. Death becomes a companion in the camps, along with illness. Yet through the terror, the members of Chanrithy's family remain loyal to one another, and she and her siblings who survive will find redeemed lives in America. A Finalist for the Kiriya Pacific Rim Book Prize.

This bracing new nonfiction book by the young superstar Édouard Louis is both a searing j'accuse of the viciously entrenched French class system and a wrenchingly tender love letter to his father. This bracing new nonfiction book by the young superstar Édouard Louis is both a searing j'accuse of the viciously entrenched French class system and a wrenchingly tender love letter to his father. *Who Killed My Father* rips into France's long neglect of the working class and its overt contempt for the poor, accusing the complacent French—at the minimum—of negligent homicide. The author goes to visit the ugly gray town of his childhood to see his dying father, barely fifty years old, who can hardly walk or breathe: "You belong to the category of humans whom politics consigns to an early death." It's as simple as that. But hand in hand with searing, specific denunciations are tender passages of a love between father and son, once damaged by shame, poverty and homophobia. Yet tenderness reconciles them, even as the state is killing off his father. Louis goes after the French system with bare knuckles but turns to his long-alienated father with open arms: this passionate combination makes *Who Killed My Father* a heartbreaking book.

A powerful novel of refugees escaping from war-torn Syria, masterfully told by a journalist who witnessed the crisis firsthand. In a country ripped apart by war, Tareq lives with his big and loving family . . . until the bombs strike. His city is in ruins. His life is destroyed. And those who have survived are left to figure out their uncertain future. Tareq's family knows that to continue to stay alive, they must leave. As they travel as refugees from Syria to Turkey to Greece, facing danger at every turn, Tareq must find the resilience and courage to complete his harrowing journey. While this is one family's story, it is also the timeless tale of the heartbreaking consequences of all wars, all tragedy, narrated by Destiny itself. When you are a refugee, success is outliving your loss. An award-winning author and journalist—and a refugee herself—Atia Abawi captures the hope that spurs people forward against all odds and the love that makes that hope grow. Praise for *A Land of Permanent Goodbyes*: Featured on NPR's Morning Edition! Featured by Dana Perino's on The Five! Featured as a most-anticipated book of 2018 on The Huffington Post! "[A] heartbreaking and to-the-minute timely story of the Syrian refugee crisis. Abawi gives even more humanity, depth, and understanding to the headlines."—Bustle ? "From award-winning journalist Abawi comes an unforgettable novel that brings readers face to face with the global refugee crisis . . . A heartbreaking, haunting, and necessary story that offers hope while laying bare the bleakness of the world."—Kirkus Reviews, starred review ? "Abawi skillfully places humanity enmeshed in war into two sides: the 'hunters' who feed on the suffering and the 'helpers' who lend a hand. An inspiring, timely, and must-have account about the Syrian refugee disaster and the perils of all wars."—School Library Journal, starred review ? "[A] gripping and heartrending novel . . . [and an] upsetting yet beautifully rendered portrayal of an ongoing humanitarian crisis."—Publishers Weekly, starred review "As author Atia Abawi artfully illustrates, refugees are created by circumstances that can happen anywhere. A perfect companion novel to Alan Gratz's *Refugee*, this humanizing, often harrowing and sometimes transcendent novel fosters compassion and understanding."—BookPage, Top Teen Pick "[T]his could be paired with Sepetys' book . . . *Salt to the Sea*, for a multi-era look at the casualties of war."—The Bulletin of the Center for Children's Books "This is a harrowing and vitally important novel about an ongoing crisis. Tareq's story will linger with readers long after they've turned the final page."—Bookish "A Land of Permanent Goodbyes is an engrossing, heartbreaking story of survival, giving readers an authentic glimpse of the suffering and destruction in Syria."—Voice of Youth Advocates "A well-written, well-researched book."—School Library Connection "This touching read will stir empathy and compassion about the harrowing plight of refugees. Abawi . . . helps give perspective on how religion can be used to help create a world where the most basic human rights are violated."—Booklist

On April 17, 1975, the Khmer Rouge entered Phnom Penh to open a new and appalling chapter in the story of the twentieth century. On that day, Pin Yathay was a qualified engineer in the Ministry of Public Works. Successful and highly educated, he had been critical of the corrupt Lon Nol regime and hoped that the Khmer Rouge would be the patriotic saviors of Cambodia. In *Stay Alive, My Son*, Pin Yathay provides an unforgettable testament of the horror that ensued and a gripping account of personal courage, sacrifice and survival. Documenting the 27 months from the arrival of the Khmer Rouge in Phnom Penh to his escape into Thailand, Pin Yathay is a powerful and haunting memoir of Cambodia's killing fields. With seventeen members of his family, Pin Yathay were evacuated by the Khmer Rouge from Phnom Penh, taking with them whatever they might need for the three days before they would be allowed to return to their home. Instead, they were moved on from camp to camp, their possessions confiscated or abandoned. As days became weeks and weeks became months, they became the "New People," displaced urban dwellers compelled to live and work as peasants, their days were filled with forced manual labor and their survival dependent on ever more meager communal rations. The body count mounted, first as malnutrition bred rampant disease and then as the Khmer Rouge singled out the dissidents for sudden death in the darkness. Eventually, Pin Yathay's family was reduced to just himself, his wife, and their one remaining son, Nawath. Wracked with pain and disease, robbed of all they had owned, living on the very edge of dying, they faced a future of escalating horror. With Nawath too ill to travel, Pin Yathay and his wife, Any, had to make the heart-breaking decision whether to leave him to the care of a Cambodian hospital in order to make a desperate break for freedom. "Stay alive, my son," he tells Nawath before embarking on a nightmarish escape to the Thai border. First published in 1987, the Cornell edition of *Stay Alive, My Son* includes an updated preface and epilogue by Pin Yathay and a new foreword by David Chandler, a world-renowned historian of Cambodia, who attests to the continuing value and urgency of Pin Yathay's message.
