Foot Binding | ReadWorks.org | Common Core Reading ...

Foot binding was the custom of applying tight wrappings to the feet of young girls to modify the shape and size of the appendages. The practice possibly originated among upper class court dancers during the Five Dynasties and Ten Kingdoms period in 10th-century China, then gradually became popular among the elite during the Song dynasty.

Foot binding - Wikipedia

Footbinding usually began when girls were between 4 and 6 years old; some were as young as 3, and some as old as 12. Mothers, grandmothers, or older female relatives first bound the girl's feet. The ultimate goal was to make them 3 inches long, the ideal "golden lotus" foot, though few individuals actually achieved that goal. The four ...

Footbinding | Chinese history | Britannica

This text is about the concept and history of foot binding in China. Be aware that some of the details in this article may be difficult to process, as the practice of foot binding involved significant physical pain – some today would even call it torture. Reading about this painful practice might make us queasy, but it was widely practiced on Chinese women for centuries to gain social status ...
