These specification levels were improved again in 1998 as the Mondeo approached replacement. The Mk2 saw almost every external panel replaced, leaving only the doors, the roof, and the rear panels on the estate the same as the original Mk1 model. Even the extractor vents on the rear doors were replaced by a panel bearing the name Mondeo.

Bigger and better than ever The two previous editions of the book known by home improvement retailers as “Big Red” sold nearly 600,000 copies. This new edition features a larger portrait format for better visual clarity, and incorporates a new page layout style. But all the features that made the original America’s best-selling “bible” of home repair are still present here—thousands of color photographs and detailed step-by-step directions. The third edition also includes more than 30 projects not found in the original edition, as well as more than 300 new photos.

'An Introduction to Modern Vehicle Design' provides a thorough introduction to the many aspects of passenger car design in one volume. Starting with basic principles, the author builds up analysis procedures for all major aspects of vehicle and component design. Subjects of current interest to the motor industry, such as failure prevention, designing with modern materials, ergonomics and control systems are covered in detail, and the author concludes with a discussion on the future trends in automobile design. With contributions from both academics lecturing in motor vehicle engineering and those working in the industry, "An Introduction to Modern Vehicle Design" provides students with an excellent overview and background in the design of vehicles before they move on to specialised areas. Filling the niche between the more descriptive low level books and books which focus on specific areas of the design process, this unique volume is essential for all students of automotive engineering. Only book to cover the broad range of topics for automobile design and analysis procedures Each topic written by an expert with many years experience of the automotive industry

C180, C200, C220, C230 & C250 Saloon & Estate (C-Class). Does NOT cover supercharged (Kompressor) or 6-cyl petrol, C200 or CDI 220 Diesel, or AMG versions.
