Pramukh Swamiji Maharaj, one of the most inspiring spiritual figures of modern times and the fifth spiritual successor of Bhagwan Swaminarayan, became a friend of the eleventh president of India, Dr A.P.J. Abdul Kalam. Together they created an unparalleled spirituality-science fellowship. In Roohdaar, Dr Kalam and Arun Tiwari map a journey of self-realization reflected in the eyes of Pramukh Swamiji, painting a delightful fusion of spirituality, science and leadership. Through the life of Pramukh Swamiji and the history of the Swaminarayan mission, Dr Kalam traces the great rise of the Indian diaspora

nation-building, poverty, compassion and self-confidence. Dr Kalam draws on the lives of stalwarts such as Marie Curie and Dr Vikram Sarabhai to encourage and inspire his young readers. Through these speeches, he shares many valuable lessons in humility, resilience and determination, and leads children to think, grow and evolve. A project very close to his heart, Dr Kalam's last book for children is a road map for every child to pursue their dreams, to be the best they can be, leading to the realization of a better India.

Kalam continued to inspire people throughout his life with whatever role that he was entrusted to play. And even moments before his death he addressed a host of students at Indian Institute of Management at Shillong. His significance as a scientist and a statesman will continue to inspire generations of people and this people is a humble attempt in this direction. It is meant to make Kalam's ideas and motivational thoughts accessible to people in concise and easy way with the hope that his wisdom will continue to ignite the minds of the young and the old alike.

Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

What makes a nation great? Is it simply economic prosperity and military strength -- or something more? What is it that we as a nation require to make that last-mile journey to what all the plans, investments and projects are meant to lead up to? It is only a matter of time before India is termed economically developed. But a nation has to learn to survive in tough times too. And for

that what is most important is national character, born out of the value systems that exist in our families, what schools teach students, and the culture of the nation. In *Pathways to Greatness*, A.P.J. Abdul Kalam shifts focus from the economic development of India by 2020 to the development of our strengths, offering key lessons that will help India withstand the forces of change. He identifies what makes a nation great and also compares the standards of living of other nations with India's. He draws on his travels and his interactions with people. He evolves unique oaths for citizens from all walks of

with me. Someone had been frantically trying to get in touch with me through the day, he said. Indeed, the phone was ringing when I entered the room. When I answered, a voice at the other end said, 'The prime minister wants to talk with you.' Some months earlier, I had left my post as Principal Scientific Adviser to the Government of India to return to teaching. Now, as I spoke to the PM, Atal Bihari Vajpayee, my life was set for an unexpected change. Turning Points takes up the incredible Kalam story from where Wings of Fire left off.
