Founding Faith Providence Politics And

Founding Faith shows that appealing to the founders as the last word on the role of faith in politics and civic life doesn't answer the questions. There was considerable disagreement among the founders about the extent When it comes to the role of religion in politics, modern conservatives and liberals are talking past each other.

Founding Faith : NPR

We see how religion helped cause, and fuel, the Revolutionary War, and how the surprising alliance between Enlightenment philosophers such as Jefferson and Madison and evangelical Christians resulted in separation of church and state. As the drama unfolds, Founding Faith vividly describes the religious development of five Founders. Benjamin Franklin melded the morality-focused Puritan theology of his youth and the reason-based Enlightenment philosophy of his adulthood.

Examining the Origins of America's 'Founding Faith' : NPR

Founding Faith is an excellent book about an important subject: the inescapable-but manageable-intersection of religious belief and public life. With a grasp of history and an understanding of the exigencies of the moment, Waldman finds a middle ground between those who think of the Founders as apostles in powdered wigs and those who assert, equally inaccurately, that the Founders believed religion had no place in politics."

Founding Faith Lib/E: Providence, Politics, and the Birth ...

Various American evangelicals have claimed the founding fathers as believing and practicing Protestants who intended America to be a Christian nation. Secularists, on the other hand, see in the same historical record evidence that the founders were often Deists at best.
