2Pacalypse Now, All Eyez on Me, Better Dayz, Loyal to the Game, Me Against the World, Pac's Life, R U Still Down? (Remember Me), Still I Rise (album), Strictly 4 My N.I.G.G.A.Z., The Don Killuminati: The 7 Day Theory, Thug Life: Volume 1, Until the End of Time (Tupac Shakur album), Excerpt: All Eyez on Me is the fourth studio album by American rapper 2Pac, released February 13, 1996 on Death Row Records and Interscope Records. The album is frequently recognized as one of the crowning achievements of 1990s rap music. AMG stated that "despite some undeniable filler, it is easily the best production 2Pac's ever had on record." It was certified 5x Platinum after just 2 months in April 1996, it was later certified 9x platinum in 1998. The album featured the Billboard Hot 100 number one singles "How Do U Want It" and "California Love." It featured 5 singles in all, the most of any 2Pac album. Moreover, All Eyez on Me (which was the only Death Row release to be distributed through PolyGram by way of Island Records) made history as the first double-full-length hip-hop solo studio album released for mass consumption. It was issued on two compact discs and four LPs. Chartwise, All Eyez on Me was the second album from 2Pac to hit number-one on both the Billboard 200 and the Top R&B/Hip-Hop Albums charts. It sold 566,000 copies in the first week of its release, and was charted on the top 100 with the top one-week SoundScan sales since 1991. The album won the 1997 Soul Train R&B/Soul or Rap Album of the Year Award. Shakur also won the Award for Favorite Rap/Hip-Hop Artist at the 24th Annual American Music Awards and is also commonly referred to as one of the greatest hip hop/rap albums of the 1990's. All Eyez on Me was released after Suge Knight, CEO of Death Row Records, bailed 2Pac...

A New York Times–bestselling, in-depth exploration of the most pivotal moments in rap music from 1979 to 2014. Here’s what The Rap Year Book does: It takes readers from 1979, widely regarded as the moment rap became recognized as part of the cultural and musical landscape, and comes right up to the present, with Shea Serrano hilariously discussing, debating, and deconstructing the most important rap song year by year. Serrano also examines the most important moments that surround the history and culture of rap music—from artists’ backgrounds to issues of race, the rise of hip-hop, and the struggles among its major players—both personal and professional. Covering East Coast and West Coast, famous rapper feuds, chart toppers, and show stoppers, The Rap Year Book is an in-depth look at the most influential genre of music to come out of the last generation. Picked by Billboard as One of the 100 Greatest Music Books of All-Time Pitchfork Book Club’s first selection

Hip hop icons and rap innovators, the Notorious B.I.G. and Tupac Shakur continue to influence, define, and change the genre years after their deaths. Despite the controversies surrounding the murders of Tupac and Biggie, ultimately it's their art that remains their biggest legacy. The music of Biggie Smalls and 2Pac has inspired the likes of Jay-Z, Kanye, Eminem, Dr. Dre, Lil Wayne, Rick Ross and more. The legacies of Tupac Shakur and Christopher Wallace—a.k.a. The Notorious B.I.G.—live on. So does their rivalry, one of the greatest in music history. In 2pac vs. Biggie, hip hop experts Jeff Weiss and Evan McGarvey take an entirely new approach to investigation of that rivalry. Rather than focus on the countless conspiracy theories, they study the artist as artists, dissecting the lyrics of their hits ("California Love," "All Eyez on Me," "Changes" for 2pac, "Mo Money Mo Problems," "Hypnotize," "Big Poppa" for Biggie) and lesser-known works, performance and rhythmic styles, aesthetic appearances and what those meant, rises to power, and of course, their lives after death. The feud between 2pac and Biggie is broken down and looked at from all new angles, bringing to light little-known and surprising sides to each rapper’s persona and inner world. Illustrated throughout with photographs, memorabilia, and artwork inspired by Tupac and Biggie, and with insert “versus” pages dissecting topics such as each artist’s presence in movies, critical reception, and literary influences, this book is a must-have for all rap and hip hop fans.

With a new preface by the author. Ten years after his murder, Tupac Shakur is even more loved, contested, and celebrated than he was in life. His posthumously released albums, poetry, and motion pictures have catapulted him into the upper echelon of American cultural icons. In Holler If You Hear Me, “hip-hop intellectual” Michael Eric Dyson, acclaimed author of the bestselling Is Bill Cosby Right?, offers a wholly original way of looking at Tupac that will thrill those who already love the artist and enlighten those who want to understand him.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Focuses exclusively on the studio craft of the late rap legend, Featuring exclusive interviews with many of his producers, including a lengthy, multi-chapter interview with Shakur's closest musical collaborator, Johnny J, among others, offering fans never-before-revealed insight into 2-Pac's recording method, the inter-workings of his songwriting process
