When a cop's high school sweetheart asks L.A.-based sleuth Elvis Cole to investigate the doings of her lover, Cole soon finds himself in a world of dirty cops and deadly hijinks

Introduced in *The Monkey's Raincoat*, L.A. private eye Elvis Cole has a smart mouth, a flair for martial arts, a passion for truth, and a borderline sociopath for a partner. When a ruthless hotel magnate hires Cole to find a priceless Japanese manuscript, Cole heads into a nest of notorious Yakuza in the heart of L.A.'s Little Tokyo.

Life in the California sun suits Elvis Cole -- until the day a fifteen-year-old girl and her two younger siblings walk into his office. Then everything changes. Three years ago, a Seattle family ran for their lives in a hail of bullets. Hired by three kids to find their missing father, Elvis now must pick up the cold pieces of a drama that began that night. What he finds is a sordid tale of high crimes and illicit drugs. As clues to a man's secret life emerge from the shadows, Elvis knows he's not just up against ruthless mobsters and some very angry Feds. He's facing a storm of desperation and conspiracy -- bearing down on three children whose only crime was their survival . . ."

Elvis Cole finds himself deep in the bayou of Louisiana searching for the estranged parents of a television star -- but something deadly is looking for him. L.A. private eye Elvis Cole is hired by popular television star Jodie Taylor to delve into her past and identify the biological parents who gave her up for adoption thirty-six years before. Cole's assignment is to find out their biological history and report back. It seems all too clear cut. But when he gets to Louisiana and begins his search, he finds that there's something much darker going on. Other people are also looking for Taylor's parents, and some are ending up dead. And when Cole realizes that his employer knew more than she was telling, Voodoo River becomes a twisting tale of identity, secrets, and murder.

"Elvis Cole provides more fun for the reader than any L.A. private eye to come along in years."--Joseph Wambaugh WINNER OF THE ANTHONY AND MACAVITY AWARDS FOR BEST NOVEL • NOMINATED FOR THE EDGAR AND SHAMUS AWARDS FOR BEST NOVEL Meet Elvis Cole, L.A. Private Eye. . . . He quotes Jiminy Cricket and carries a .38. He's a literate, wisecracking Vietnam vet who is determined to never grow up. When quiet Ellen Lang enters Elvis Cole's Disney-Deco office, she's lost something very valuable--her husband and her young son. The case seems simple enough, but Elvis isn't thrilled. Neither is his enigmatic partner and firepower, Joe Pike. Their search down the seamy side of Hollywood's studio lots and sculptured lawns soon leads them deep into a nasty netherworld of drugs, sex--and murder. Now the case is getting interesting, but it's also turned ugly. Because everybody, from cops to starlets to crooks, has declared war on Ellen and Elvis. For Ellen, it isn't Funtown anymore. For Elvis, it's just a living . . . He hopes. Praise for *The Monkey's Raincoat* "Outstanding characters, tight plot, and scintillating prose style. . . . This fast-paced story speeds Elvis Cole to a chilling, heart-stopping ending."--Mystery Scene "Is Bob Crais good? Put it this way: if they're taking you out to put you against the firing squad wall, and you want to enjoy your last moments on earth, pass on the last cigarette and ask for an Elvis Cole novel."--Harlan Ellison "Far and away the most satisfying private eye novel in years. Grab this one--it's a winner!"--Lawrence Block "The best private eye novel of the year . . . lots of action; bright, crisp dialogue; and sharply drawn characters."--The Denver Post "Robert B. Parker has some competition on his hands. . . . Elvis Cole is an appealing character and Crais's style is fresh and funny."--Sue Grafton "In Crais, a new star has appeared on the private eye scene--a dazzling first novel."--Tony Hillerman

Peter Alan Nelsen is a super successful movie director who is used to getting what he wants. And what he wants is to find the wife and infant child he dumped on the road to fame. It's the kind of case that Cole could handle in his sleep, except that when Cole actually finds Nelsen's ex wife, everything takes on nightmarish proportions a nightmare which involves Cole with a nasty New York mob family and a psychokiller who is the son of the godfather. When the unpredictable Nelsen charges in, an explosive situation blows sky high.

At last, the enigmatic partner of Elvis Cole (*The Two Minute Rule*) takes center stage in this pulse-racing thriller. When Joe Pike is charged with safeguarding a wealthy heiress, he discovers protecting the sole witness to a crime is nothing compared to protecting an LA party girl from her own self-

destruction... Larkin Conner Barkley lives like the City of Angels is hers for the taking. Young and staggeringly rich, she speeds through the city during its loneliest hours, blowing through red after red in her Aston Martin as if running for her life. Then suddenly she sees another car's metal-on-metal explosion of a terrible accident and, dazed, finds herself the single witness in a secret federal investigation. For maybe the first time in her life, Larkin wants to do the right thing. But in doing so she becomes the target for a relentless team of killers. And when the US Marshals and the finest security money can buy can't protect her, Larkin's wealthy family turns to the one man money can't buy? Joe Pike. Pike lives a world away from the palaces of Beverly Hills. He's an ex-cop, ex-Marine, ex-mercenary who owes a bad man a favor, and that favor is to keep the uncontrollable Larkin alive. Pike commits to protecting the girl, but it becomes clear someone in their circle is selling them out. Taking matters into his own hands, Joe drops off the gird with Larkin and follows his own survival rules: strike fast, hit hard, hunt down the hunters. With the help of private investigator Elvis Cole, Pike uncovers a web of lies and betrayals, and the stunning revelation that even the cops are not who they seem. As the body count rises, Pike's biggest threat might come from the girl herself, a lost soul in the City of Angels, determined to destroy herself unless Joe Pike can teach her the value of life...and love.

Devastated by the murder of his estranged son on the day of his own release from prison, former bank robber Max Holman launches a renegade investigation and discovers that the chief suspect is being wrongfully targeted by the LAPD. Reissue. 100,000 first printing.

When a wealthy entrepreneur is accused of murder in Los Angeles, wisecracking private eye Elvis Cole is hired to prove that the evidence was corrupted and becomes suspicious about the defense attorney's motivations. Prominent restaurateur Teddy Martin is facing charges in his wife's brutal murder. But he's not going down without spending a bundle of cash on his defense. So his hotshot attorney hires P.I. Elvis Cole to find proof that Detective Angela Rossi tampered with the evidence. Detective Rossi needs a way back to the fast track after falling hard during an internal investigation five years ago. But Cole needs to know if she's desperate enough to falsify the case against Martin in order to secure her own position. As Cole and his partner Joe Pike work their way through a tangle of witnesses and an even greater tangle of media, they begin to suspect that it's not the police who are behind the setup. The sixth book in the Elvis Cole series, *Sunset Express* is marked by Robert Crais's dark humor and edge-of-your-seat suspense.

"Terrific entertainment . . . A powerful portrait of Los Angeles in our time: swift, colorful, gripping, a real knockout."—Dean Koontz The day starts like any other in L.A. The sun burns hot as the Santa Ana winds blow ash from mountain fires to coat the glittering city. But for private investigator Joe Pike, the city will never be the same again. His ex-lover, Karen Garcia, is dead, brutally murdered with a gun shot to the head. Now Karen's powerful father calls on Pike (a former cop) and his partner, Elvis Cole, to keep an eye on the LAPD as they search for his daughter's killer—because in the luminous City of Angels, everyone has secrets, and even the mighty blue have something to hide. But what starts as a little procedural hand-holding turns into a deadly game of cat-and-mouse. For a dark web of conspiracy threatens to destroy Pike and Cole's twelve-year friendship—if not their lives. And L.A. just might be singing their dirge. Praise for L.A. Requiem "One of the best crime novels I've ever read. Absolutely terrific!"—David Baldacci "Darker, denser, deeper, and more satisfying than anything he's written before."—The Denver Post "[A] whodunit with salsa and soul . . . [Crais] keeps his plot pounding along."—People
