A boy who can predict the exact date a person will die... An elderly woman who knows that death is close, but learns how to cheat it... A child with a dangerous friend who happens to be invisible... A ghost who can't stop reliving his suicide over and over again...People you'll wish you never have to meet, and stories you'll never forget.Skilfully translated into English for the very first time, these chilling tales from master storyteller Ratnakar Matkari are bound to keep readers of all ages up at night.With every page you turn, you'll be looking over your shoulder to make sure no one's there.Look again. Maybe there is!

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. In *The Dark Room*, Narayan ' s portrait of aggrieved domesticity, the docile and obedient Savitri, like many Malgudi women, is torn between submitting to her husband ' s humiliations and trying to escape them. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

With a wife he loves and an exciting London-based career, architect Charles Waterston's life seems in perfect balance. Nothing in his comfortable existence prepares him for the sudden end to his ten-year marriage - or his unwanted transfer to his firm's New York office. With nothing left to lose, Charlie takes a leave of absence from his job to drive through New England, hoping to make peace with himself. Christmas is approaching when Charlie leaves New York, heading to Vermont to ski. But a sudden, blinding snowstorm strands him in a small Massachusetts town. There, as if by chance, Charlie meets an elderly widow who offers to rent him her most precious possession: a remote, exquisite lakeside chateau. Hidden deep in the woods, it once belonged to a woman who lived and died there two centuries before. Her name was Sarah Ferguson. And from the moment Charlie sets foot inside the chateau's graceful depths, he feels her presence, and longs to know more about the life she led. It is Christmas Eve when Charlie first glimpses her, a beautiful young woman with jet black hair. He thinks it is a neighbour playing a joke on him, until he finds her diaries hidden away in an old trunk. As he begins to turn the brittle, dusty pages, Sarah Ferguson comes alive. Intrigued and unafraid, Charlie immerses himself in the diaries, eager to learn more about the woman for whom the house was built. Sarah's first entry is dated 1789, the year she arrived in America. Without self-pity or sentiment, she writes of her harrowing journey from her native England, having fled the brutality of her aristocratic husband. Settling in Massachusetts, Sarah finds an unfamiliar land seething with the turbulence of the Indian wars. Determined to start a new life in the vast new world, Sarah finds freedom - and danger - as she builds her home in the wilderness and meets a man who will transform her life. His name is Fran ç ois de Pellerin, a French nobleman adopted by Indians and drawn into the battle for the growing nation. Their fateful union is a testament to a love so powerful it reaches across the centuries. And for Charlie Waterston, caught between Sarah's world and his own, their story is a gift - one that gives him the courage to let go of his past, and the freedom to grasp a future that is right before his eyes. In *The Ghost*, Danielle Steel has created a stunning blend of history and drama. Brilliantly interweaving past and present, she brings to life two stories, centuries apart, in a timeless novel of courage, healing and love.

The story of Yayati is perhaps one of the most intriguing and fascinating episodes of Mahabharata. Yayati was a great scholar and one of the noblest rulers of olden times. He followed the

shastras and was devoted to the welfare of his subjects. Even the King of Gods, Indra, held him in high esteem. Married to seductively beautiful Devayani, in love with her maid Sharmishtha, and father of five sons from two women, yet Yayati unabashedly declares, 'My lust for pleasure is unsatisfied...' His quest for the carnal continued, sparing not even his youngest son, and exchanging his old age for his son's youth... Winner of the Jnanpith and Sahitya Akademi Awards.

Chanakya's Chant is a racy and gripping account on Chanakya, one of the greatest political strategists India has seen. The story changes track as it narrates the tale of Gangasagar Mishra, the reincarnation of Chanakya, in parallel. Will he be the next kingmaker? Gangasagar Mishra, a denizen of a quaint old Indian town, is no ordinary man. Society sees him as a Brahmin teacher who can barely make ends meet, but he's the reincarnation of the man who brought the fragmented subcontinent together under a single empire – Chanakya. Chanakya's Chant by Ashwin Sanghi gives its readers a look into two parallel worlds that are tied together by the intelligence of the main protagonists. The first story is set in 340 BC, when a young Brahmin man, fueled by the death of his father, vows revenge against the king and overthrows his rule by bringing in Chandragupta Maurya, the first emperor of the Maurya Dynasty. The scene then shifts to modern day India, where Gangasagar Mishra leads his life as a nonentity – until he decides to groom an ambitious girl from Kanpur into India's prime minister. Will Chanakya's manipulative mechanisms change the face of the nation again? The book takes readers on a joyride through Chanakya's cold and calculating moves. Chanakya's Chant was very well received by critics and readers. Renowned bureaucrat and writer Shashi Tharoor released the book in Mumbai and termed it a gripping and delightful read. The book is a historical account, but features many colloquial terms too.

Indians believe that you must serve your guests well, for they come to your house in the form of god. This is the exact mentality Sudha Murty 's hosts have when she goes to volunteer in a small village in Odisha. Because of the heavy rain, Murty decides to take shelter in one of the villagers ' hut—already low on supplies, what are the hosts ready to give up in order to serve their guest? Murty delves into the great extent hosts are willing to go to in order to please their guests. Read more to see what Sudha learns about the Indian values.
