How to Beat the Cost of Implementing CBW III How your parish can get CBW III without straining its budget: 1) Two-year interest-free financing option allows you to pay in instalments-No payment for 90 days! Order 50 copies or more of CBW III (any combination of Choir and Pew editions). Upon receipt of the invoice, you have three months to pay only one third (1/3) of the amount billed. Pay the second third on the anniversary date of your invoice (a year later), and the last third the following year. No interest will be charged during this period. (Please note that our offer for a two-year interest-free payment plan does not apply to discounted orders.) or...2) Place your order through your diocese and save up to 20%.

When placing bulk orders for their parishes, dioceses get a discount. In the case of CBW III, the discount is 20%. We normally bill and ship the order to the diocese, which is then responsible for redistribution. However, for CBW III we have agreed to bill the diocese and ship to individual parishes, when requested.

is one of the most respected writers of religious hymns in the world; the story behind her work sparks creativity in other artists and musicians. (Motivation)

Grounded in the liturgical tradition and scholarship, the author explores what he calls the "new traditionalism" that notes the recent resurgence of interest in ancient forms of liturgy and spiritual practice. Everett communicates the seriousness with which he approaches his subject by offering a brief history of psalms and an exegesis of selected psalm texts. As a composer, he speaks clearly about the process of capturing the essence of each psalm in the brief, but beautiful antiphons that accompany them.

The psalter itself consists of musically notated antiphon melodies with chord symbols followed by the printed psalm text which is read aloud... Many alternative and emerging church communities have begun exploring ancient music and liturgical traditions despite a lack of high-quality, published liturgical music, which does not require (or even desire) an organ and a four-part choir. The Emergent Psalter serves to provide that resource. Featuring music written for two emerging communities (Transmission in New York and Church of the Apostles in Seattle), this book is an excellent resource for anyone producing alternative worship service or thinking of starting one.
