A revealing trip down the rabbit hole of conspiracy theories -their appeal, who believes them, how they spread -with an eye to helping people deal with the alt-right

Get Free Genie Promax 2 Manual

conspiracists in their own lives. Conspiracy theories are killing us. Once confined to the fringes of society, this worldview now has adherents numbering in the millions -extending right into the White House. This disturbing look at this alt-right threat to our democratic institutions offers guidance for counteracting the personal toll this

destructive mindset can have on relationships and families. Author David Neiwert -an investigative journalist who has studied the radical right for decades -examines the growing appeal of conspiracy theories and the kind of personalities that are attracted to such paranoid, sociopathic messages. He explains how alt-right leaders
