2. Stay calm but take control. Instead of arguing or escalating the issue to a fight of who is better, stay calm. It's better that way and you'll save up your energy. Allow her to rant and then ask her if she can now listen, by this time, even a controlling wife can give way. You can let her know that you see her point and then add your own points. 3.

I can't forget how Dr omohan helped me to restore back my marriage after 2 month of separating with my wife out of quarrel and she left and never return back to me, i did so much to get her back but nothing worked out not until i saw a comment online when someone was testifying of how Dr omohan helped her to restored back her husband and that was how i contacted him through his email and after ...

Controlled husband: This morning

For the record, here are all the embarrassing ways—none very effective—that I tried to control my husband: 1. Making helpful suggestions like, “if you put things in the file drawers you’d be able to find them more easily,” and “If you didn’t fall asleep with the radio on you’d sleep better and be more rested.”

Top 10 Ways to Control Your Husband | Laura Doyle

Ways A Wife Can Control Husband - 1. Cooking - Prepare good food and get things done by your partner your way. Most men melt for three basic things and that is food, money and beauty. You prepare good food, serve them with smile and they are ready to accept anything you ask. 2.

How A Wife Can Control Her Husband? - Boldsky.com

A wife withholding sex when she is angry at her husband, or giving him the “silent treatment” is also a form of manipulation. Sometimes manipulation is just pure retaliation. Discipline, on the other hand is very different from manipulation. Discipline is performed by one who is in authority over one who is under their authority.
