In Drawing Near, John Bevere invites readers to explore a life of intimacy with God. Emphasizing the need for obedience, he urges us to practice-just as we would practice anything we hope to improve-our communication with the Holy Spirit. Understanding that prayer is a dialogue, not a monologue, Bevere encourages us to listen at the Father's feet. Study questions in each chapter offer opportunity for reflection, and a "How to draw near to God" section offers practical steps toward developing true intimacy with Him.

Suitable for primary school students, this series brings together and explains the story and meaning of the Bible, unfolding God's eternal plan and purposes from creation to Christ. Key Bible passages, illuminating questions and an extensive variety of supporting activities challenge students to grow in their understanding of God, themselves and the world around them. Students are nurtured in their faith as they respond to and apply the Bible's teaching and live each day as faithful disciples of Jesus Christ. Book 1, Adam and Eve: Made in God's Image, explores God's vital revelation about the nature of created life, our unique relationship with Him, how He intends us to live in and enjoy His world and how we are to understand our salvation in Jesus Christ.

Intended for college and seminary courses on spiritual formation, the workbook consists of twelve chapters with three parts each: believing, behaving, and becoming (that is, what virtues to possess). Thus, the thirty-six lessons are holistic, showing that the process of becoming like Christ involves our entire being.

The companion to Living in the Victory of Jesus!: Bible Lessons to Deepen Faith, this workbook is filled with exercises and activities to help students claim victory over life's turmoil, and become the champion that God created them to be.

Unlike traditional recovery programs that only address the soul and body, RS4L includes healing strategies for all three parts of our being: spirit, soul, and body. Online, independent study is also an option.
