Genie® Superlift Contractor® Ideal for construction firms and all types of contractors, the Genie® Superlift Contractor® is well suited for industrial applications and HVAC installations. This unit can be easily operated by one person and can lift, lower and move loads up to 650 lbs. Designed specifically for the construction industry

Now in its third edition, this successful must-have manual is thoroughly updated with new chapters and material, covering issues including: \* Technology development - the different types of travel agency systems available, what they do, how they do it and how to use them \* The Internet - how it is used to book travel, forecasts for its future use and how travel agenets stand in relation to it \* Global distribution systems - how to make bookings, and the new windows-based environment \* A full endorsement by Travel Weekly The manual demonstrates correct methods for processing travel reservations, identifying business client needs and suitable documentation. It also shows key facts for the profitable planning, organization and operation of the retail travel agency. Each chapter contains exercises pertinent to the topics covered. Students on any of the large number of courses in travel and tourism (ICM, City & Guilds, ABTA, IATA, UFTAA, BTEC, SCOTVEC, University of Oxford Certificate, Diploma of Vocational Education) will find this book invaluable.

The modern mystic—the contemporary spiritual seeker—is always looking for ways to enhance and expand his or her consciousness. Using quotes from spiritual masters as well as personal stories and anecdotes, A Manual for the Modern Mystic shares practical, easily attainable tools that promote spiritual growth through consciousness development. Ric Olesky, a professional astrologer and spiritual practitioner, offers a thoughtful guide through the mystical thought of several major spiritual traditions while exploring the ultimate goal of the mystical pursuit—the meaning of life. As he defines and discusses twelve universal laws—each reflective of a sign of the zodiac—he helps lead you to discovering a deep personal connection to the Divine while avoiding self-undermining behaviors that limit spiritual growth. Through Olesky's explanation of universal laws, mystics will learn more about their connection to the physical plane, fascinating social behaviors, and the complexities of family dynamics. Development of consciousness is perhaps the ultimate purpose and prime reason that life exists. A Manual for the Modern Mystic helps contemporary spiritual seekers tune in to a rich, intuitive awareness of the world around them that ultimately leads to peace of mind and happiness.

Describes an effective technique for identifying one's personal problems by developing an awareness of one's innermost feelings and thus altering behavior and solving problems on a step-by-step basis. Reissue.

A devotional and liturgical resource of great beauty and depth, for daily use in public worship and private prayer.

Companies traded over the counter or on regional conferences.

This is a new and completely revised edition of the original manual for Emotional Freedom Techniques (EFT), one of the most successful psychology self-help techniques ever developed. Thousands of people tell amazing stories of how it has helped them with psychological problems like anxiety, depression, phobias, and PTSD, as well as physical problems like pain and stress. Author Dawson Church is the best-known researcher in the field, and this manual is based on Clinical EFT, the only version of EFT to be validated in dozens of scientific studies. Step by step, you will learn the "evidence-based" form of EFT used in those studies. You'll discover how you can identify the hidden roots of emotional problems, and how to alleviate them using EFTs "Basic Recipe" as well as advanced techniques. This book shows you how to use Clinical EFT to a variety of common conditions, including pain, fears, addictions and cravings, weight issues, insomnia, and guilt. With the healing keys of EFT, you'll be surprised at how many problems that hold you back can be quickly and easily relieved, opening up new possibilities for your life.

Relationships: you start out madly in love and somehow end up just mad, angry, lonely, discouraged, frustrated or even heartbroken. Why do relationships have to be so hard? In How to Win Her & Influence Him, Genie Goodwin unveils the most common reasons relationships can be so difficult and the miraculous strategies you can easily do that can melt the troubles away. Men and women live in two different worlds, expecting totally different things from each other. Because of that we misinterpret and misunderstand most signals. When we give each other the "wrong" things, we think we aren't loved and it causes conflict and massive pain. Transform your relationships with practical and powerful secrets of walking in love. You can create a whole new, long-lasting, passionate relationship with the one you love instead of being angry, frustrated, and lonely. Improve communication, connection and cooperation to create a legendary love affair.
