worship that brings the opportunity of rewards and blessings of visiting Ka'bah and the Prophet's Mosque along with other sacred places one wishes to visit. This title is based on the book Getting the Best out of Hajj and contains chapters on Umrah in Ramadaan and visiting Madinah.

INTRODUCTION Hajj, the fifth pillar of Islam, brings together Muslims of all races and creed to adopt two unidentifiable white pieces of cloth in an awesome demonstration of Islam's total disregard of insignificant issues like race, social position and nationality. Annually, several million people make the pilgrimage to Makkah from every corner of the globe, providing a unique opportunity of those different nations to meet one another, making it the largest gathering in the world. It is a clear-cut act of worship, but also it is symbolic and represents the spirit's return to its place of origin. Hajj is an essential duty (fardh) for all Muslims, who are physically and financially able to perform it. Allah Ta'ala has prescribed certain rites that a pilgrim should uphold for his pilgrimage to be correct. The primary condition is intention (niyyah), while the others will be mentioned in their places. The meaning of the pilgrimage (Hajj meaning effort) is to leave all worldly activities aside and go forth to meet Allah Ta'ala. The purpose of Hajj is to develop consciousness

of Allah Ta'ala and also spiritual upliftment. It is also an opportunity to atone sins collected throughout life. Prophet Muhammad [PBUH] had said that a person who performs Hajj properly "will return as (sinless as) a newly born baby. Due to the usual practice of Umrah being performed before the Hajj, it was deemed appropriate that this publication starts with Umrah. The first part of this book deals with the procedures of Umrah. It clearly outlines the entire procedure of how Umrah should be performed, explaining each part of Umrah individually and giving a breakdown of which actions are necessary and which one's are Sunnah and virtuous. Thereafter the rites of Hajj are described in full in the same clear distinctive manner. Starting from the explanation of the three types of Hajj and how they differ. The "Hajj at a glance" diagram has been specially made to assist the Hajji in simplifying the procedure further.

A short booklet covering the fiqh of Hajj and Umrah along with a brief overview of both rituals.

significances and excellence, the Hajj¹.is the best means to strengthen religious communication and coordination among the Muslims of the whole world hailing from different countries with their separate nationality, race, language and colour and to collect them on a single platform thereby making them rally round the banner of "Kalimah Tauheed" (the Code of Oneness of Allah) which is the pivot of Islaam.²The simple unstitched white clothing which Prophet Adam wore, is proposed for Haajis so that the Muslims who all belief in One Allah, one Messenger, one Book, and one Kaaba look alike sans any social ranking and status thereby to demonstrate outward religious harmony and cohesion too.³It envisages projection of the glory and truthfulness of Islaam besides earning believers the benefits and gains of the air, land and sea travels.⁴It also embraces the aims and objectives which kings and rulers achieve by holding grand courts, an association or organization achieve by holding annual meetings and

chamber of commerce achieve by holding international fairs.5.Hajj also satisfies the inquisition of anthropologists, archaeologists, geologists, historians, and geographers.6.Most of Hajj's sites are either prominent symbols of Allah or have attachments with the Messengers and Prophets which refresh the memory of the sacred traditions and remind of the events of Divine blessings and mercy attached with these signs.In short, the Divine Law which the Holy Prophet brought with him is so comprehensive and practical that it covers all temporal and spiritual affairs.It's each and every word abounds with wisdom and reasons which is evident from the fact that the worldly and spiritual benefits and objectives of Islamic commands and worships are before the whole world and will continue coming to the fore until the Doomsday.

Guide for Hajj and 'Umrah. It is an enlightening spiritual and practical guide for the sacred journeys of Hajj and 'Umrah. It's a guided tour through a number of very meaningful emotional and religious experiences. But it's also so much more... It is a journey of self-discovery as well as the discovery of Islam. It's a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story-telling. * The text itself is well written and simple, getting straight to the heart

of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime... * The photographs displayed near the end of the book are astounding and original, especially for readers from Non Muslim countries, who have in all probability never before seen such sights as the spellbinding, pure-as-snow brightness of Masjid-Nabawi at night, or the sober splendor of the Prophet's Mosque. * Interspersed with the practical maps, tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah, the Most Powerful and Compassionate, as well as a thrilling narration of Islam's early history and lore. Particularly moving and evocative is the beautifully retold beginning of sa'ee, "the struggle" as an act of absolute trust in Allah, as displayed by a desperate and lonely Hajar. Especially touching and profound is the authors' recommendation to work hard on understanding the du'as recited as a pilgrim, instead of "simply carrying pamphlets and reciting them in blind fashion without understanding their meaning". Such a warning is a necessity, as casualness might well impair the sincerity of the appeal, which should come straight from the pilgrim's heart. In short, this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam.
