Aaron has waited years for a man who can share his heart and he insists it's party boy Zach. Not even his mother's funeral can convince self-proclaimed party boy Zach Johnson to tone down his snark or think about settling down. He is who he is, and he refuses to change for anyone. When straight-laced, compassionate Aaron Paulson claims he's falling for him, Zach is certain Aaron sees him as another project, one more lost soul for the idealistic Aaron to save. But Zach doesn't need to be fixed and he refuses to be with someone who sees him as broken. Patience is one of Aaron's many virtues. He has waited years for a man who can share his heart and complete his life and he insists Zach is the one. Pride, fear, and old hurts wither in the wake of Aaron's adoring loyalty, and as Zach reevaluates his perceptions of love and family, he finds himself tempted to believe in the impossible: a happily-ever-after.

A Book in the Home Series When Eli Block steps into his parents' living room and sees his childhood crush sitting on the couch, he starts a shameless campaign to seduce the young rabbi. Unfortunately, Seth Cohen barely remembers Eli and he resolutely shuts down all his advances. As a tenuous and then binding friendship forms between the two men, Eli must find a way to move past his unrequited love while still keeping his best friend in his life. Not an easy feat when the same person occupies both roles. Professional, proper Seth is shocked by Eli's brashness, overt sexuality, and easy defiance of societal norms. But he's also drawn to the happy, funny, light-filled man. As their friendship deepens over the years, Seth watches Eli mature into a man he admires and respects. But when Seth finds himself longing for what Eli had so easily offered, he has to decide whether he's willing to veer from his safe life-plan to build a future with Eli.

From the provocative and hilarious EGOT winner, bestselling author, and host of The View, Whoopi Goldberg, comes the perfect antidote to all those outdated relationship advice books in the world, weighing in on why marriage isn't for everybody, and how the life you want shouldn't be the life everyone else expects you to have. Whoopi Goldberg has been an electrifying, envelope-pushing public figure of many stripes: acclaimed actor, comedienne, singer, songwriter, author, political activist and talk-show host. Now, Whoopi will speak openly about why marriage isn't for everyone, how being alone can be satisfying, and how what's most important is understanding who you are and what makes you happy. Wise, funny, and conversation-starting, Whoopi's message is sure to resonate with the millions of people who struggle with relationships every day. Goldberg says: "I get to hear from a lot of different people about relationships and this got me trying to figure out why the divorce rate is SO high. It occurred to me that as one who has done it badly often, I might have some insight. It's hard to really know the other person's agenda, but if someone says 'you complete me'...RUN!!!"

This book, I Want To Live, Volume Two, is the follow up to the first I Want To Live book. After my first medical operation for bowel cancer in 1994, I thought then that I was free of this awful disease. But my troubles had only just begun. What had pleasantly turned from good news from the doctors about an illness that was in remission would turn into another nightmare. Just a short eighteen months later, after a Cat-scan at hospital, I was told by the doctors that there had been a recurrence of my illness. Now another serious operation was in the offing in 1996. This second operation took place, following by radiotherapy. I had triumphed again, for how long? I was to return to hospital for another operation in 1997, the third in three years... surely this was the last, I wondered. But it was not to be. Ten years passed, then I returned to hospital again in 2007.

The Power of Apostolic Christianity brought to life in stories from our own day and time.

A Book in the Home SeriesDo you believe in love at first sight? Jonathan does: the moment he glimpsed the striking David from afar, he was hooked, but David disappeared before they could meet.More than three years later, Jonathan gets a second chance—he and David finally meet face to face, and the two fall into a passionate love affair. David turns Jonathan's previously lonely life into a fairy tale, giving him more than he ever imagined. But the past few years have been hard for Jonathan, and he's terrified that his young son and scandalous past will be too much for David. If they're going to build a future together, they're both going to have to dig deep: David for the courage to share himself in a way he's never considered..., and Jonathan for the strength to tell the truth.

Spanning the full career of the eminent musical dramatist, from the 1920s until his death in 1960, a comprehensive volume features the complete texts of more than 850 songs, including his notable work for the stage and screen with composers Jerome Kern and Richard Rodgers—Show Boat, Oklahoma!, The Sound of Music, and more. 20,000 first printing.

This volume contains the original "Course in Miracles" text, as well as the "Course for Miracles for Teachers" and "The 360 Lessons."

Boyfriends come and go but best friends are forever has always been Andrew and Caleb's mantra. Can they be both? At fourteen, Andrew Thompson and Caleb Lakes become best friends. As the years pass, they stand by each other through family trauma, school, and the start of their careers. They share their first sexual experiences, learning and experimenting, and they talk each other through countless dates and breakups. Decades of trust and loyalty build a deep and abiding friendship, one that surpasses any relationship in their lives. But when the parameters of their unique friendship change, neither man knows how to break out of their established roles to build something new. After all, boyfriends come and go, but best friends are forever.

Writing as A. Deborah Baker, New York Times bestselling and award-winning author Seanan McGuire introduces readers to a world of talking trees and sarcastic owls, of dangerous mermaids and captivating queens in Over the Woodward Wall, an exceptional tale for readers who are young at heart. If you trust her you'll never make it home... Avery is an exceptional child. Everything he does is precise, from the way he washes his face in the morning, to the way he completes his homework – without complaint, without fuss, without prompt. Zib is also an exceptional child, because all children are, in their own way. But where everything Avery does and is can be measured, nothing Zib does can possibly be predicted, except for the fact that she can always be relied upon to be unpredictable. They live on the same street. They live in different worlds. On an unplanned detour from home to school one morning, Avery and Zib find themselves climbing over a stone wall into the Up and Under – an impossible land filled with mystery, adventure and the strangest creatures. And they must find themselves and each other if they are to also find their way out and back to their own lives.
