What's all the fuss
about? Heartbeat

Elizabeth Scott

November 28th,
2014 “ Heartbeat ” ,

is a novel written
by Elizabeth Scott
about grief. This
story takes place
mainly in a hospital,
and in a high school.
A young girl named
Emma, loses her

Heartbeat

Elizabeth Scott has once again written a beautiful story.

Without saying too much, without spoiling a thing, I will simply say this about “ Heartbeat ” :

If you have ever lost someone you loved, you should read this book. If you have ever been

(Author)

Heartbeat considers a very specific medical situation, one which has been in the media recently, involving keeping a pregnant woman who has been diagnosed as "brain dead" on life support so that her unborn baby might have a chance to

Download

Ebook

survive to
viability. The
concept of brain
death is something
Scott never directly
addresses in her
novel but it is
central to the story
and important to
understand.

LibrisNotes:
Heartbeat by
Elizabeth Scott

Page 29/36

Download

Ebook

Anyways, Elizabeth Scott does a superb job with Emma and her voice in Heartbeat. I wasn't entirely sure how I would feel about the romance in Heartbeat. Y'all, it's sweet and quiet and a budding sort of romance.
