A curse lies over Anluan’s family and his people, and the woods themselves hold a perilous force whose every whisper threatens doom. Whistling Tor is a place of secrets, a mysterious, wooded hill housing the crumbling fortress of a chieftain whose name is spoken throughout the district in tones of revulsion and bitterness. A curse lies over Anluan’s family and his people; those woods hold a perilous force whose every whisper threatens doom. For young scribe Caitrin it is a safe haven. This place where nobody else is prepared to go seems exactly what she needs, for Caitrin is fleeing her own demons. As Caitrin comes to know Anluan and his home in more depth she realizes that it is only through her love and determination that the curse can be broken and Anluan and his people set free.

From the acclaimed author of Shadowfell and the Sevenwaters series "Marillier, with her graceful storytelling and talent as a folklorist, crafts a love story with magical underpinnings" Library Journal Caitrin, daughter of Berach, flees her home in Market Cross, running from her grief and mistreatment at the hands of her kinsfolk. Bruised and alone she arrives at Whistling Tor – a formidable fortification presided over by the local chieftain, Anluan. The villagers scorn and curse him for being a weak and unsupportive leader, unresponsive to their pleas for him to rid the surrounding forest of the ghostly and eerie manifestations that have plagued it for generations. But desperate for work and shelter, Caitrin ignores their warnings, thinking them nothing more than fanciful tales and seeks refuge at the Tor. Here she encounters giant hounds, malevolent whispering in the night and the rare and precious herb, Heart's Blood; not to mention

the moody and cursed Anluan. As Caitrin slowly begins to regain control of her life, she discovers that not everything is as it seems in this mysterious place. What does Anluan's skewed features and anger hide? Who are the men and women of the Host? What might the ancient manuscripts and family documents in the library reveal? And why does Caitrin get the distinct impression that there is a dark and powerful force on the hill that doesn't want her to find the truth? "Juliet Marillier is a fine fantasy writer." High in the Transylvanian woods, at the castle Piscul Draculi, live five daughters and their doting father. It's an idyllic life for Jena, the second eldest, who spends her time exploring the mysterious forest with her constant companion, a most unusual frog. But best by far is the castle's hidden portal, known only to the sisters. Every Full Moon, they alone can pass through it into the enchanted world of the Other Kingdom. There they dance through the night with the fey creatures of this magical realm. But their peace is shattered when Father falls ill and must go to the southern parts to recover, for that is when cousin Cezar arrives. Though he's there to help the girls survive the brutal winter, Jena suspects he has darker motives in store. Meanwhile, Jena's sister has fallen in love with a dangerous creature of the Other Kingdom--an impossible union it's up to Jena to stop. When Cezar's grip of power begins to tighten, at stake is everything Jena loves: her home, her family, and the Other Kingdom she has come to cherish. To save her world, Jena will be tested in ways she can't imagine--tests of trust, strength, and true love.

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it

seems that there will be no way for her to break the spell that condemns all that she loves. Nessa have watched their children grow and thrive in peace. But not all on the islands are content or at peace. Thorvald, the young son of Margaret, widow of the slain king and Eyvind's war leader, has always felt apart and at odds with all he knows. He learns upon his coming to manhood that he is not his father's son but that of the love that Margaret bore for the hated Somerled and that Somerled was not killed for his treachery but sent on a boat, adrift with little more than a knife and skein of water, doomed to the god's will. Thorvald is determined to find a boat and cast off to the West in a desperate bid to find a father he never knew...and to find out if he is made of the same stuff as the heinous traitor. The tragedy of this scheme would be horrific enough...if it were not for the fact that Creidhe, the winsome daughter of Eyvind and Nessa has loved Thorvald since birth and unbeknownst to him conspires to go along on this most perilous of quests. What happens to them on their journey of discovery will ultimately change the lives of all they know and love...and will doom (or redeem) an entire people.
