We were just thrilled to have someone tip us off to the Betsy Tacy series. I read them to my 7 and 5 year old girls and they love them. The 40's live on and teach us that little girls will forever be fun and imaginative when given the chance to play and be together. Turn off the TV and games and get into this series and this book.

Swoonworthy Scale: Average of 4.5. In book 5 Betsy has her first crush on the handsome and charismatic Tony. He's oblivious and thinks of her as a kid sister. So she has to watch him fall hard for her good friend Bonnie. It's a pretty accurate account of a one sided crush. Betsy's emotions are set to eleven but there's very little actual swoon.
