When a trail of murder and blood leads to Constantine, he is exposed and is forced to go on the run. But before long he discovers a conspiracy to harness the power of ley lines and nightmares to create a fear machine - and only Constantine stands in the way!

In THE FEAR MACHINE, John Constantine looks for a way to reconnect to humanity -- but how can such a man ever find inner peace? Constantine finds himself encamped with a new-age pagan group that's tapping into their own psychic abilities -- but a defense contractor is out to exploit their powers. Is the company's aim just political, or is it something much more sinister? This volume collects issues 14-22 of the original series.
