The here and now is the only place that truly matters. Everything else is secondary. Unfortunately, we live in an age of constant distraction, where our attention is pulled in a million different directions. I believe that ruminating about the past and thinking too much about the future is the major cause of people's unhappiness.

Train your mind to live in the here and now Our mind is sometimes like a hyperactive child traveling by car. It needs a toy, something to do, something to look at, to think about, to digress, to worry about, and even to become obsessed with. Our thoughts never stop and most of them are focused on the immediate future.

Here and Now: Living in the Spirit by Henri J.M. Nouwen
The spiritual life is not a life then and there, but a life here and now. It is a life in which the spirit of God is revealed in the ordinary encounters of everyday. In this book of meditations Henri Nouwen shows in a personal and insightful way that God is much closer to us than we usually realize.
