2 reviews of Innovative Heating Solutions "They have a fast reliable service. They do everything! Boilers, radiant, plumbing, heating, service, maintenance, fixture installation, cure violations. Have had them at a number of my jobs and never any issues. They work with some big names too! If you ask to see their portfolio they will show you they did work for The Gansevoort Hotel, Parker Towers ...

YORK

The Home Energy Assistance Program (HEAP) helps low-income people pay the cost of heating their homes. How does it work? If you are eligible, you may receive one regular HEAP benefit per season and could also be eligible for an emergency HEAP benefit if you are in impending danger of running out of fuel or having your utility service shut off.

Apply for Heating Assistance This Winter

There are various types of electric home heating, from whole-home furnaces to multifunction units that can provide heating as well as air-conditioning. Supplemental zone heating in way of portable heaters or installed baseboard heaters can also warm up some cold areas or enhance your main heating system. Review the options available and find an ...
