Honda to recall 97,000 Fit subcompact cars - Feb. 17, 2011
I Engine oil is a major factor affecting engine performance and service life. Nondetergent oils and 2 stroke engine oils are not recommended because they have inadequate lubricating characteristics. I Be sure to check the engine on a level surface with the engine stopped. Use Honda 4-stroke oil, or an equi-

Thank you for purchasing a Honda engine.
GX340 Engine Manual * The GX340 engine has been around for many years & not all GX340's are the same. Listed below are the most common parts for the engines made in the last 10 years. For that reason we advise you that not all of these parts will be correct for your GX340. Email or call us with the code on the side of the engine
