PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2

In this timely volume, James E. Katz, a leading authority on social consequences of communication technology, analyzes the way new mobile telecommunications affect daily life both in the United States and around the world. *Magic in the Air* is the most wide-ranging analysis of mobile communication to date. Katz investigates

the spectrum of social aspects of the cell phone's impact on society and the way social forces affect the use, display, and re-configuration of the cell phone. Surveying the mobile phone's current and emerging role in daily life, Katz finds that it provides many benefits for the user, and that some of these benefits are subtle and
