House of the Sleeping Beauties (2006) - IMDb

House of the Sleeping Beauties is a 1961 novella by the Japanese author Yasunari Kawabata. It is a story about a lonely man, Old Eguchi, who continuously visits the House of the Sleeping Beauties in hope of something more.

The House of the Sleeping Beauties - Wikipedia

About an establishment where old men pay to sleep besides young girls that had been narcotized and happen to be naked, the sleeping beauties. The old men are expected to take sleeping pills and share the bed for a whole night with a girl without attempting anything of bad taste like putting a finger inside their mouths. Written by Ulf Kjell G\u00fcr

House of Sleeping Beauties (1995) - IMDb

Three surreal, erotically charged stories from Nobel Prize winner Yasunari Kawabata. In the three long tales in this collection, Yasunari Kawabata examines the boundaries between fantasy and reality in the minds of three lonely men. Piercing examinations of sexuality and human psychology—and works of remarkable subtlety and beauty—these stories showcase one of the twentieth century's ...

The House of the Sleeping Beauties focuses on Yoshio Eguchi, aged sixty-seven, who visits an inn at a Japanese hot-spring resort in order to sleep beside one or another beautiful young woman.

~~The House of the Sleeping Beauties Summary - eNotes.com~~

Kawabata Yasunari's 1961 novella House of the Sleeping Beauties is almost Beckettian in its simplicity: the elderly Eguchi has been introduced to a sort of sexless fetish house in which rich old men, impotent with age, pay to sleep beside beautiful young women in a chaste embrace.

An older man's grief over his wife's tragic death causes him to visit a bizarre brothel where the workers are drugged, and a shocking twist awaits.

Three surreal, erotically charged stories from Nobel Prize winner Yasunari Kawabata. In the three long tales in this collection, Yasunari Kawabata examines the boundaries between fantasy and reality in the minds of three lonely men. Piercing examinations of sexuality and human psychology—and works of remarkable subtlety and beauty—these stories showcase one of the twentieth century's great writers—in any language—at his very best.

Three surreal, erotically charged stories from Nobel Prize winner Yasunari Kawabata. In the three long tales in this collection, Yasunari Kawabata examines the boundaries between fantasy and reality in the minds of three lonely men. Piercing examinations of sexuality and human psychology--and works of remarkable subtlety and beauty--these stories showcase one of the twentieth century's great writers--in any language--at his very best.

From Japan's first Nobel laureate for literature, three superb stories explore the interplay between erotic fantasy and reality in a loner's mind. Kawabata's fiction is noted for combining a traditional Japanese aesthetic with modernist, often surreal trends: his richly lyrical prose is imbued with a sense of loneliness and alienation. In these three tales, underlying the erotic fantasy is the protagonists' lack of connection with other people, and their memories of past loves in an empty sterile life. The title story, "House of the Sleeping Beauties," is about a man who visits a brothel where elderly men can spend a chaste but lecherous night with a drugged, unconscious virgin. As he admires the girl's beauty, he recalls his past womanizing, and reflects on the relentless course of old age. In "One Arm," a young girl removes her right arm and gives it to the narrator to take home for the night, a surreal seduction follows as he speaks to it, tries to allay its fears, caresses it and even replaces his own right arm with it. "Of Birds and Beasts" is about a man who lives alone, with a housemaid, preferring the company of the birds and dogs he keeps to human beings. But rather than living animals, these are beautiful objects which, although they give him pleasure, he treats with casual cruelty, in much the same way as he treated his previous lover, a dancer. Beautiful yet chilling, poetic yet subtly disturbing, these stories make compelling reading.

From Japan's first Nobel laureate for literature, three superb stories exploring the interplay between erotic fantasy and reality in a loner's mind. "He was not to do anything in bad taste, the woman of the house warned old Eguchi. He was not to put his finger into the mouth of the sleeping girl, or try anything else of that sort." With his promise to abide by the rules, Eguchi begins his life as a member of a secret club for elderly gentlemen who have lost their sexual powers. At an inn several hours from Tokyo they indulge in their last pleasure: lying with beautiful young girls who are sleeping nude when the men arrive. As "House of the Sleeping Beauties" unfolds in Kawabata's subtle prose, the horrified reader comes to see that the sexual excitement is a result not of rejuvenescence, but of a flirtation with death. The three stories presented in this volume all center upon a lonely protagonist and his peculiar eroticism. In each, the author explores the interplay of fantasy and reality at work on a mind in solitude-in "House of the Sleeping Beauties," the elderly Eguchi and his clandestine trips to his club; in "One Arm," the bizarre dialogue of a man with the arm of a young girl; in "Of Birds and Beasts," a middle-aged man's memories of an affair with a dancer mingled with glimpses of his abnormal attachment to his pets. All of these stories appear in English for the first time outside of Japan. "Of Birds and Beasts," written in the early 1930's, is one of Kawabata's earlier works, while "One Arm" and "House of the Sleeping Beauties," the latter hailed by novelist Yukio Mishima as the best of Kawabata's works, are among his later works.

Get Free House Of The Sleeping Beauties And Other Stories Yasunari Kawabata

In Sweden, hundreds of refugee children fall into a state that resembles sleep for months or years at a time. In Le Roy, a town in upstate New York, teenage girls develop involuntary twitches and seizures that spread like a contagion. In the U.S. Embassy in Cuba, employees experience headaches and memory loss after hearing strange noises during the night. These are only a few of the many suspected culture-bound psychosomatic syndromes—specific sets of symptoms that exist in a particular culture or environment—that affect people throughout the world. In *The Sleeping Beauties*, Dr. Suzanne O'Sullivan—an award-winning Irish neurologist—investigates psychosomatic disorders, traveling the world to visit communities suffering from these so-called mystery illnesses. From a derelict post-Soviet mining town in Kazakhstan to the Mosquito Coast of Nicaragua to the heart of the María Mountains in Colombia, O'Sullivan records the remarkable stories of syndromes related to her by people from all walks of life. Riveting and often distressing, these case studies are recounted with compassion and humanity. In examining the complexity of psychogenic illness, O'Sullivan has written a book of both fascination and serious concern as these syndromes continue to proliferate around the globe.

THE STORIES: *FOB* is told in a style that moves quickly between myth and reality, with the characters occasionally speaking directly to the audience. Grace and Dale are cousins, living in the Los Angeles area and attending college. Dale is fully Ame

In this spectacular New York Times bestselling father/son collaboration that “barrels along like a freight train” (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious “Eve Black,” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman's prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.

Award-winning author and powerhouse talent Roxane Gay burst onto the scene with *An Untamed State* and the New York Times bestselling essay collection *Bad Feminist* (Harper Perennial). Gay returns with *Difficult Women*, a collection of stories of rare force and beauty, of hardscrabble lives, passionate loves, and quirky and vexed human connection. The women in these stories live lives of privilege and of poverty, are in marriages both loving and haunted by past crimes or emotional blackmail. A pair of sisters, grown now, have been inseparable ever since they were abducted together as children, and must negotiate the elder sister's marriage. A woman married to a twin pretends not to realize when her husband and his brother impersonate each other. A stripper putting herself through college fends off the advances of an overzealous customer. A black engineer moves to Upper Michigan for a job and faces the malign curiosity of her colleagues and the difficulty of leaving her past behind. From a girls' fight club to a wealthy subdivision in Florida where neighbors conform, compete, and spy on each other, Gay delivers a wry, beautiful, haunting vision of modern America reminiscent of Merritt Tierce, Jamie Quatro, and Miranda July.
