Bishop T.D. Jakes [September 29, 2019] Richard Allen Posner **How Judges Think Richard A**

A distinguished and experienced appellate court judge, Richard A. Posner offers in this new book a unique and, to orthodox legal thinkers, a startling perspective on how judges and justices decide cases. When conventional legal materials enable judges to ascertain the true facts of a case and apply clear pre-existing legal rules to them, Posner argues, they do so straightforwardly; that is the domain of legalist reasoning.

How Judges Think – Richard A. Posner | Harvard University ...

How Judges Think is a wide-ranging survey -- in some respects too wide, as parts of it have the feel of having been stuck in simply (almost) because Posner had the material available. But he does look at the question at the centre of the book from many, many angles, and though occasionally it can seem he's looking too hard at rather peripheral concerns, he does also deal with what appear to be all
