How to Catch an Heiress is the debut novel from Natalie Rios! Rios has a great writing style that I thought flowed well and wasn't choppy or disjointed. For a debut author, I think this is huge! Sometimes (most of the time) it can take a book or 2 to find your rhythm but Rios has hers already.

*How to Catch an Heiress by Natalie Rios: Review - The Book ...*

He quickly learns the truth, but is already in love with the obstinate lass, a feeling she reciprocates. If they survive Oliver and the spy, this adventurous pair has a lifetime of loving to share. TO CATCH AN HEIRESS is a jocular Regency romance due to the antics of Caroline, who constantly throws Blake off his stride.

I really enjoyed this! 4 Stars to "How to Catch an Heiress" is the debut novel for author Natalie Rios. This novel is the first in the Heiress Series. It is written in both POVs. \*I received an ARC from the author in exchange for an honest review\* First, I would like to say I was pleasantly surprised by this novel. Not because of how much I enjoyed it but because the author wrote perfectly for a first novel.

To Catch an Heiress is the only one of my books that was conceived out of an opening line. The sentence: "Caroline Trent hadn't meant to shoot Percival Prewitt, but she had, and now he was dead," popped into my head, and I knew I had to figure out a book to go with it. (Except that Caroline wasn't yet named Caroline.

When Caroline Trent is kidnapped by Blake Ravenscroft, she doesn't even try to elude this dangerously handsome agent of the crown. After all, she's been running from unwanted marriage proposals. Yes, Blake believes she's a notorious spy named Carlotta De Leon, but for six weeks until her twenty-first birthday, when she'll gain control of her fortune, hiding out in the titillating company of a mysterious captor is awfully convenient -- and maybe just a little romantic, too. Blake Ravenscroft's mission is to bring "Carlotta" to justice, not to fall in love. His heart has been hardened by years of intrigue, but this little temptress proves oddly disarming and thoroughly kissable. And suddenly the unthinkable becomes possible -- that this mismatched Couple might be destined for love.

When Caroline Trent is kidnapped by Blake Ravenscroft, she doesn't even try to elude this dangerously handsome agent of the crown. After all, she's been running from unwanted marriage proposals. Yes, Blake believes she's a notorious spy named Carlotta De Leon, but for six weeks until her twenty-first birthday, when she'll gain control of her fortune, hiding out in the titillating company of a mysterious captor is awfully convenient -- and maybe just a little romantic, too. Blake Ravenscroft's mission is to bring "Carlotta" to justice, not to fall in love. His heart has been hardened by years of intrigue, but this little temptress proves oddly disarming and thoroughly kissable. And suddenly the unthinkable becomes possible -- that this mismatched Couple might be destined for love.

When James Sidwell, Marquis of Riverdale, offered to help Elizabeth Hotchkiss find herself a husband, he never dreamed that the only candidate he could propose would be himself..

When Charles Wycombe, the dashing and incorrigible Earl of Billington, toppled out of a tree and landed at Ellie's feet, neither suspected that such an inauspicious meeting would lead to marriage. But Charles must find a bride before his thirtieth birthday or he'll lose his fortune. And Ellie needs a husband or her father's odious fiancée will choose one for her. And so they agree to wed, even though their match appears to have been made somewhere hotter than heaven ... Ellie never dreamed she'd marry a stranger, especially one with such a devastating combination of rakish charm and debonair wit. She tries to keep him at arm's length, at least until she discovers the man beneath the handsome surface. But Charles can be quite persuasive -- even tender -- when he puts his mind to it, and Ellie finds herself slipping under his seductive spell. And as one kiss leads to another, this unlikely pair discovers that their marriage is not so inconvenient after all ... and just might lead to love.

In two classic tales of Regency-era romance from "New York Times"-bestselling author Balogh, the vagaries of love have a way of challenging the most convenient arrangements. Reissue.

Now including an excerpt from VICTORIA: A Novel, by Daisy Goodwin, the Creator/Writer of the Masterpiece Presentation on PBS. "Anyone suffering Downton Abbey withdrawal symptoms (who isn't?) will find an instant tonic in Daisy Goodwin's The American Heiress. The story of Cora Cash, an American heiress in the 1890s who bags an English duke, this is a deliciously evocative first novel that lingers in the mind." --Allison Pearson, New York Times bestselling author of I Don't

Know How She Does It and I Think I Love You Be careful what you wish for. Traveling abroad with her mother at the turn of the twentieth century to seek a titled husband, beautiful, vivacious Cora Cash, whose family mansion in Newport dwarfs the Vanderbilts', suddenly finds herself Duchess of Wareham, married to Ivo, the most eligible bachelor in England. Nothing is quite as it seems, however: Ivo is withdrawn and secretive, and the English social scene is full of traps and betrayals. Money, Cora soon learns, cannot buy everything, as she must decide what is truly worth the price in her life and her marriage. Witty, moving, and brilliantly entertaining, Cora's story marks the debut of a glorious storyteller who brings a fresh new spirit to the world of Edith Wharton and Henry James. "For daughters of the new American billionaires of the 19th century, it was the ultimate deal: marriage to a cash-strapped British Aristocrat in return for a title and social status. But money didn't always buy them happiness." --Daisy Goodwin in The Daily Mail One of Library Journal's Best Historical Fiction Books of 2011

Rumors and Gossip . . . The lifeblood of London When Olivia Bevelstoke is told that her new neighbor may have killed his fiancée, she doesn't believe it for a second, but, still, how can she help spying on him, just to be sure? So she stakes out a spot near her bedroom window, cleverly concealed by curtains, watches, and waits . . . and discovers a most intriguing man, who is definitely up to something. Sir Harry Valentine works for the boring branch of the War Office, translating documents vital to national security. He's not a spy, but he's had all the training, and when a gorgeous blonde begins to watch him from her window, he is instantly suspicious. But just when he decides that she's nothing more than an annoyingly nosy debutante, he discovers that she might be engaged to a foreign prince, who might be plotting against England. And when Harry is roped into spying on Olivia, he discovers that he might be falling for her himself . . .

NEW YORK TIMES BESTSELLER ONE OF TIME'S 100 BEST BOOKS OF THE YEAR Sex and the City meets Bad Blood and Catch Me if You Can in the astonishing true story of Anna Delvey, a young con artist posing as an heiress in New York City—as told by the former Vanity Fair photo editor who got seduced by her friendship and then scammed out of more than \$62,000. Rachel DeLoache Williams's new friend Anna Delvey, a self-proclaimed German heiress, was worldly and ambitious. She was also generous—picking up the tab for lavish dinners at Le Coucou, infrared sauna sessions at HigherDOSE, drinks at the 11 Howard Library bar, and regular workout sessions with a celebrity personal trainer. When Anna proposed an all-expenses-paid trip to Marrakech at the five-star La Mamounia hotel, Rachel jumped at the chance. But when Anna's credit cards mysteriously stopped working, the dream vacation quickly took a dark turn. Anna asked Rachel to begin fronting costs—first for flights, then meals and shopping, and, finally, for their \$7,500-per-night private villa. Before Rachel knew it, more than \$62,000 had been charged to her credit cards. Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she'd been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city's most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, My Friend Anna is an unforgettable true story of "glamour, greed, lust for power" (The New York Times),

and female friendship.

USA Today Bestseller “Stellar...vibrant and witty writing.” – Booklist “Another smart pairing and a genuinely romantic ending.” —Publishers Weekly A sparkling new love story from a historical romance legend, perfect for Bridgerton fans and readers of Sabrina Jeffries, Eloisa James, and Grace Burrowes. In one life-changing windfall, Rosamund Jameson goes from struggling shopkeeper to heiress—and co-owner of a new business. Not only will her sudden fortune allow her to move her millinery shop to fashionable London, but Rosamund will be able to provide her younger sister with a proper entry into society. The only hitch for resourceful Rosamund is her arrogant, infuriatingly handsome business partner... Kevin Radnor is shocked that his late uncle, the Duke of Hollinburgh, bequeathed half his company to a total stranger—worse, a beguiling beauty who can only hinder his enterprise. But Rosamund insists on an active, equal partnership, so Kevin embarks on a plan: a seduction that will lead to a marriage of convenience, giving Rosamund the social status she needs, and guaranteeing him the silent partner he desires. Yet as this charismatic gentleman sets his flirtation in motion, he begins to wonder who is seducing whom—and if he can learn to share himself body and mind, without losing his heart . . . “A book that hooked right into my emotions and gave me what I wanted and needed from a story right now.” —Smart Bitches, Trashy Books “Romance and mystery combine to entertain.” —Fresh Fiction

It was indisputably love at first sight. But Victoria Lyndon was merely the teenaged daughter of a vicar. . .while Robert Kemble was the dashing young earl of Macclesfield. Surely what their meddling fathers insisted must have been true—that he was a reckless seducer determined to destroy her innocence. . . and she was a shameless fortune hunter. So it most certainly was for the best when their plans to elope went hopelessly awry. Even after a seven-year separation, Victoria—now a governess—still leaves Robert breathless. But how could he ever again trust the raven-haired deceiver who had shattered his soul? And Victoria could never give her heart a second time to the cad who so callously trampled on it the first. But a passion fated will not be denied, and vows of love yearn to be kept. . . even when one promises the moon.
