With her unique perspective as both an artist and a veterinarian, Mari Suzuki provides step-by-step instruction on drawing animals that even beginners can grasp. In meticulous detail, she explores different animals' proportions, skeletal forms, musculature, and other physical fundamentals. While Suzuki includes an array of creatures--from pandas and penguins to kangaroos and elephants--dogs and cats provide the template, because of their availability and wide range of movements. Each project is done in pencil, giving the work a genuine figure-drawing feel.
