Now, Gordon Livingston—a physician of the human heart, a philosopher of human psychology—offers an urgently needed meditation on who best (and who best not) to love—and how best to love. Dr. Livingston's primary focus in this new book is on helping us to recognize in ourselves and in others constellations of character traits and what those traits imply both with regard to compatibility and future conduct. As in his previous books, here are Dr. Livingston's trademark gifts—an unerring ...

Amazon.com: How to Love (9781606711057): Livingston ...

I just like the way Gordon Livingston writes about life and love. It is like having a conversation with a wise, supportive and insightful person who isn't afraid to tell the truth. 'How to Love' can be read by people starting out on their journey of finding a life partner and it would help you to frame what to look for, and who to be in order to be a loving person.
