How to Write Anything: A Complete Guide by Laura Brown

Learn how to do anything with wikiHow, the world's most popular how-to website. Easy, well-researched, and trustworthy instructions for everything you want to know.

---

wikiHow: How-to instructions you can trust.

Write the first draft of your story in as short a time as possible. If you're writing a short story, try to write it in one sitting. If you're writing a novel, try to write it in one season (three months). Don't worry too much about plotting or outlining beforehand. You can do that once you know you have a story to tell in the first place.
