Unregistered paranormal Caleb Jansen only wants a normal life. But when a demon murders his brother, Caleb must avenge Ben's death, no matter what the cost. Unfortunately, his only allies belong to an extremist group who would kill Caleb if they found out about his talent. Gray is a wandering spirit, summoned to hunt and destroy demons by drinking their blood. This hunt goes horribly wrong, and for the first time in his existence Gray is trapped in a living, human body. Caleb's body...and Caleb is still in it. Hotshot federal agent John Starkweather thinks he's seen it all. But when he's called to exorcise Caleb, he finds a creature which isn't supposed to exist outside of stories. For Gray is a drakul: a vampire. When John fails to exorcise Gray, the countdown is on. If he can't find a means of removing the drakul before 40 days pass, Caleb will be possessed forever. In the meantime, the three must find a way to work together. As they hunt down demons and save the innocent, the heat between the two men explodes into passion...and John discovers a different kind of temptation, one that calls into question everything he believes.

Book 2 in the SPECTR series. Previous book: Hunter of Demons Caleb Jansen's old life is in ruins after being possessed by the vampire spirit Gray. Now all Caleb wants is for Gray to be exorcised so he can adjust to living as a registered paranormal. Instead, District Chief Kaniyar of SPECTR offers him a new choice: be locked away for public safety, or come work for the very agency he's spent years trying to avoid. The only good thing to come from Caleb's possession is his relationship with federal exorcist John Starkweather, but even that seems doomed to end before it can really begin. John's newest case is a nightmare: someone is summoning demons and forcing them to possess women and boys snatched from the streets of Charleston. If his team can't find the summoner soon enough, the possessions will become permanent, transforming the victims into ghouls. To make matters worse, he barely prevents Gray from feeding on their only lead. Can John shield his heart from Caleb, who only seems interested in a temporary hook-up? Can Caleb keep Gray under control while they hunt for the summoner? Or will the cost of solving the case be higher than any of them could have guessed? Because the master of ghouls has set his sights on a new target: Gray. Novella: 28,083 words. Contains explicit sexual scenes between men. Abandoned at the mouth of the dragon's lair, Sebastian is certain he's about to be devoured...until the dragon shifts into a very sexy, and very naked, man. Dragon-shifter Kai has an offer for Sebastian: stay the night, and he'll make sure no one can ever label Sebastian a virgin again! Sebastian eagerly agrees to a night of passion with Kai. But when Conner comes to save him the next morning, will Sebastian choose the dragon or the knight? Or is there a way for them all to get exactly what they want? Short story: 8,076 words.
