Young Bond is BACK in this terrific 4th Young Bond novel. This time author Charlie Higson shakes up the formula and elects not to have any of the action set at Eton. Instead, Higson throws Bond instantly into danger in a hurricane ravaged Mexico (surprisingly, a location James Bond has never been before). The book contains a wild collection of sinister villains (the henchman "Manny the Girl" is one of Higson's greatest creations yet) and is probably the most harrowing and "Bond-like" of all ...

This is by far the best young James Bond book. It is a little like Skeleton Key the Alex Rider book, but its better, the book is very long. The story takes us to Mexico where a hurricane devastates the community and forces James to look after a young girl he ends up getting feelings for. Then we end up on a tropical island owned by the bad guys.
