The strips advise the reader that portions of IICL-5 and the Pocket Edition have been superceded by the second edition of the Cleaning Guide.

~~INSTITUTE OF INTERNATIONAL CONTAINER LESSORS~~

Education and training have long been key components of the IICL's initiatives. IICL members recognize that the quality and serviceability of their equipment is based upon the skills and knowledge of container and chassis inspectors, as well as maintenance and repair service providers that are utilized. The education and training area of our web site offers two key components that include training and testing of individuals for all technical responsibilities of our industry.
