The debut novel of an astonishing voice in psychological suspense As dusk approaches a small Dublin suburb in the summer of 1984, mothers begin to call their children home. But on this warm evening, three children do not return from the dark and silent woods. When the police arrive, they find only one of the children gripping a tree trunk in terror, wearing blood-filled sneakers, and unable to recall a single detail of the previous hours. Twenty years later, the found boy, Rob Ryan, is a detective on the Dublin Murder Squad and keeps his past a secret. But when a twelve-year-old girl is found murdered in the same woods, he and Detective Cassie Maddox—his partner and closest friend—find themselves investigating a case chillingly similar to the previous unsolved mystery. Now, with only snippets of long-buried memories to guide him, Ryan has the chance to uncover both the mystery of the case before him and that of his own shadowy past. Richly atmospheric, stunning in its complexity, and utterly convincing and surprising to the end, In the Woods is sure to enthrall fans of Mystic River and The Lovely Bones.

In 1935, nine-year-old George Weyerhaeuser, heir to one of the wealthiest families in America, is snatched off the streets two blocks from his home. The boy is kept manacled in a pit, chained to a tree, and locked in a closet. The perps—a career bank robber, a petty thief, and his nineteen-year-old never-been-in-trouble Mormon wife—quickly become the targets of the biggest manhunt in Northwest history. The caper plays out like a Hollywood thriller with countless twists and improbable developments. Perhaps the most astonishing thing of all, though, is how it all ends.

This riveting novel of love and mystery from the author of The Things They Carried examines the lasting impact of the twentieth century ' s legacy of violence and warfare, both at home and abroad. When long-hidden secrets about the atrocities he committed in Vietnam come to light, a candidate for the U.S. Senate retreats with his wife to a lakeside cabin in northern Minnesota. Within days of their arrival, his wife mysteriously vanishes into the watery wilderness.

When Cameron discovers an abandoned baby while riding his bike along a forest trail, everyone looks at the event as a miraculous coincidence, but Cameron has a secret about why he was riding down that stretch of trail at just the right time.

The unforgettable true story of Christopher Knight, who found refuge from the pressures of modern society by living alone in the Maine woods for twenty-seven years.

The idea of Into the Woods is not to supplant works by Aristotle, Lajos Egri, Robert McKee, David Mamet, or any other writers of guides for screenwriters and playwrights, but to pick up on their cues and take the reader on a historical, philosophical, scientific, and psychological journey to the heart of all storytelling. In this exciting and wholly original book, John Yorke not only shows that there is truly a unifying shape to narrative—one that echoes the great fairytale journey into the woods, and one, like any great art, that comes from deep within—he explains why, too. With examples ranging from The Godfather to True Detective, Mad Men to Macbeth, and fairy tales to Forbrydelsen (The Killing), Yorke utilizes Shakespearean five-act structure as a key to analyzing all storytelling in all narrative forms, from film and television to theatre and novel-writing—a big step from the usual three-act approach. Into the Woods: A Five-Act Journey Into Story is destined to sit alongside David Mamet ' s Three Uses of the Knife, Robert McKee ' s Story, Syd Field ' s Screenplay, and Lajos Egri ' s The Art of Dramatic Writing as one of the most original, useful, and inspiring books ever on dramatic writing.

During the Great Depression six-year-old Marvel, her seven siblings, and their mother find a tarpaper shack in the woods and, over the course of a year, turn it into a home. Based on the author's grandmother's childhood; includes historical notes.

For fans of Small Spaces and the Goosebumps series by R.L. Stine comes a chilling ghost story about a girl living in the decrepit and creepy mansion, who discovers something in the woods is after her. All Ginny Anderson wants from her summer is to sleep in, attend a mystery writing workshop, and spend time with her best friend. But when Ginny's father—a respected restoration expert in Chicago—surprises the family with a month-long trip to Michigan, everything changes. They aren't staying in a hotel like most families would. No, they're staying in a mansion. A twenty-six room, century-old building surrounded by dense forest. Woodmoor Manor. But unfortunately, the mansion has more problems than a little peeling wallpaper. Locals claim the surrounding woods are inhabited by mutated creatures with glowing eyes. And some say campers routinely disappear in the woods, never to be seen again. As terrifying as it sounds, Ginny can't shake the feeling that there's something darker . . . another story she hasn't been told. When the creaky floors and shadowy corners of the mansion seem to take on a life of their own, Ginny uncovers the wildest mystery of all: There's more than one legend roaming Saugatuck, Michigan, and they definitely aren't after campers. It's after her. "This is a teeth-chattering, eyes bulging, shuddering-and-shaking, chills-at-the-back-of-your-neck ghost story. I loved it!"—R.L. Stine, author of the Goosebumps series on Scribch Scratch Pick up What Lives in the Woods if you are looking for: A book for middle school students, 5th grade to 9th grade A story with a strong female protagonist that explores bravery, friendship, and family Mystery books for kids 9-12 Chilling ghost stories and ghost books for kids (perfect for Halloween!)

God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, A Walk in the Woods will add a whole new audience to the legions of Bill Bryson fans.
