"Contexts" includes contemporary responses to Incidents in the Life of a Slave Girl by William C. Nell and Lydia Maria Child, among others; twelve related letters and articles by Jacobs published in newspapers during the period from 1853 to 1868; and documents tracing Jacobs's life and achievements as a free woman, including her establishment of a school in Alexandria, Virginia."

In this volume, Jennifer Fleischner examines the first- and best-known female account of life under, and escape from, slavery -- Harriet Jacobs' autobiography. In her introduction, Fleischner shows how Jacobs used the written word to liberate herself and promote the end of slavery by carefully discussing her sexual exploitation as a slave in ways that would inspire sympathy in -- and not offend -- her Victorian white, middle-class, female audience. An updated introduction explores Jacobs' personal struggles with religion and violent resistance, and connects her narrative to the broader history of the anti-slavery movement in the United States. The rich collection of related documents that accompany Jacobs' complete narrative features three new sources, including the will of Jacobs' owner Margaret Horniblow, the abolitionist emblem, and the original title page of Incidents in the Life of a Slave Girl. Updated document head notes, chronology, questions for consideration, selected bibliography, and index provide students with a valuable framework for understanding this period in United States history. Available in print and e-book formats.

Harriet Jacobs' narrative of a life as a slave girl is unabridged, and contains an additional annotation at the start of the book. This section aims to give the reader an historical context, and contains a brief History of Slavery in America, and the Abolishment of Slavery. This will help set the stage for Harriet Ann Jacobs autobiography that is to follow! "I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course. When I first arrived in Philadelphia, Bishop Paine advised me to publish a sketch of my life, but I told him I was altogether incompetent to such an undertaking. Though I have improved my mind somewhat since that time, I still remain of the same opinion; but I trust my motives will excuse what might otherwise seem presumptuous. I have not written my experiences in order to attract attention to myself; on the contrary, it would have been more pleasant to me to have been silent about my own history. I want to add my testimony to that of abler pens to convince the people of the Free States what Slavery really is. Only by experience can any one realize how deep, and dark, and foul is that pit of abominations. May the blessing of God rest on this imperfect effort in behalf of my persecuted people!" --Linda Brent (Pseudonym used by Harriet Ann Jacobs)

This Prestwick House Literary Touchstone Classic includes a glossary and reader's notes to help the modern reader appreciate Jacobs' perspectives and language.DRIVEN BY THE HORRORS of slavery and fear of a predatory master, Harriet Jacobs, a young black woman, makes the fateful, life-altering decision to escape. Long thought to be the work of a white writer, Incidents in the Life of a Slave Girl is the captivating and terrifying story of Jacobs' daily life on a plantation in North Carolina, her seven years of hiding, and her ultimate triumph.Jacobs wrote her autobiography in 1861, under a pseudonym to protect the lives of the friends and family she left behind, and the work had been essentially lost until the mid-twentieth century. Now recognized as a classic, unflinching portrait of slave life, Incidents exposes slavery on a level comparable only to that of Narrative of the Life of Frederick Douglass.

Jacob's book is addressed to white women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity to expand their knowledge and influence their thoughts about slavery as an institution.Jacobs began composing Incidents in the Life of a Slave Girl after her escape to New York, while living and working at Idewild, the Hudson River home of writer and publisher Nathaniel Parker Willis.^[2] Portions of her journals were published in serial form in the New-York Tribune, owned and edited by Horace Greeley. Jacobs' reports of sexual abuse were deemed too shocking for the average newspaper reader of the day, and publication ceased before the completion of the narrative. Boston publishing house Phillips and Samson agreed to print the work in book form if Jacobs could convince Willis or abolitionist author Harriet Beecher Stowe to provide a preface. She refused to ask Willis for help and Stowe never responded to her request. The Phillips and Samson company closed.^[3] Jacobs eventually signed an agreement with the Thayer & Eldridge publishing house, and they requested a preface by abolitionist Lydia Maria Child, who agreed. Child also edited the book, and the company introduced her to Jacobs. The two women remained in contact for much of their remaining lives. Thayer & Eldridge, however, declared bankruptcy before the narrative could be published. Lydia Maria Francis Child (born Lydia Maria Francis) (February 11, 1802 - October 20, 1880), was an American abolitionist, women's rights activist, Native American rights activist, novelist, journalist, and opponent of American expansionism. Her journals, both fiction and domestic manuals reached wide audiences from the 1820s through the 1850s. At times she shocked her audience as she tried to take on issues of both male dominance and white supremacy in some of her stories. Despite these challenges, Child may be most remembered for her poem "Over the River and Through the Wood." Her grandparents' house, which she wrote about visiting, was restored by Tufts University in 1976 and stands near the Mystic River on South Street, in Medford, Massachusetts.

Incidents in the Life of a Slave Girl - Written by Herself - Harriet Ann Jacobs aka Linda Brent - A True Story of American Slavery - Incidents in the Life of a Slave Girl is a slave narrative that was published in 1861 by Harriet Ann Jacobs, using the pen name "Linda Brent." The book is an in-depth chronological account of Jacobs's life as a slave, and the decisions and choices she made to gain freedom for herself and her children. It addresses the struggles and sexual abuse that young women slaves faced on the plantations, and how these struggles were harsher than what men suffered as slaves. The book is considered sentimental and written to provoke an emotional response and sympathy from the reader toward slavery in general and slave women in particular for their struggles, with rape, the pressure to have sex at an early age, the selling of their children, and the treatment of female slaves by their mistresses. Incidents in the Life of a Slave Girl is an autobiography by a young mother and fugitive slave published in 1861 by L. Maria Childs, who bravely and generously edited the book for its author, Harriet Ann Jacobs, who used the pseudonym Linda Brent. The book documents Jacobs' life as a slave and how she gained freedom for herself and, later, for her children. In her unique demonstration of a sophisticated reading of the literature of her day, Jacobs contributed significantly to the genre of slave narrative by astutely weaving methods common in sentimental novels "to address race and gender issues." Specifically, she explores the struggles and sexual abuse that female slaves faced on plantations and generally in slavery, as well as their efforts to practice motherhood and protect their children within slavery's constraints, where their children might be sold away. In the text, Jacobs makes it clear that she is speaking to white women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity and although she states that she's not seeking sympathy for herself, it is apparent that she is hoping to expand their knowledge and influence their sentiments about slavery as an institution. Throughout the text there is an evident tension of wanting readers to be able to relate while simultaneously acknowledging that a complete understanding is ultimately impossible for those who have never been enslaved.
