Ascension Series. 8 primary works in 9 total works. The Ascension Series is a standalone crossover between the characters from Descent and Seasons of the Moon. It's not necessary to know either of the forgoing series in order to read Ascension but it does add some depth: The Descent. Seasons of the Moon.

Ascension Series by S.M. Reine - Goodreads

Great series, well thought out character/species with unexpected traits/ motivations. The authors ability to bring to life the possible reactions of each characters shows an understanding of how we all have the ability to change/adapt to /resist or embrace the many outside influences that we face daily. Can't wait for next book in series.

"Flying Dutchman" Spaceship Continues Deep Space Adventures "Infinity's Edge (Ascension Series Book 4)," continues the well written, deep space adventures of the "Athena's" crew. The author, Mr. Ken Lozito, writes a cogent, coherent, SciFi story that moves fast, has few "speed bumps" to slow a reader, and knows the value of employing both a competent editor and proofreader.
