**Solutions** integrates the new FASB Codification throughout. References to the accounting pronouncements replaced by a numbering system in each chapter linked to the new Codification. A list of Codification references at the end of each chapter links the bracketed numbers from the text to the Codification; this list also includes a reference to the preceding literature, for easing the transition to the new system. In addition, a handful of quick exercises in each chapter give readers opportunities for practice and simple research in the Codification. Revised End-of-Chapter Material: Names,
