?iPhone User Guide on Apple Books

Apple releases a user guide that covers all models that can run the latest operating system every time a major new version of iOS comes out. Apple produces other instructional materials, such as product and safety information and QuickStart user guides, for each model. Identify which model you have below, and then download the user guide you need.

Where to Download iPhone Manuals for Every Model

iPhone and iPad user guides I have not yet read these although I would really like to. The reason I did not give it more than two stars was because I couldn't find a price anywhere and I did see an ad for it that said it was free but it doesn't know if they're on the actual item so it said the item had been paid because it automatically went to my Apple Pay.
